WHY SMIRNOFF INSTEAD OF WHISKEY?

It's filtered through a "mountain" of charcoal.
If you don't care for the taste of whiskey (and many people don't) try Smirnoff for delicious liquor drinks that don't taste like liquor. Smirnoff is filtered through 7 tons of activated charcoal. This "black magic" removes most of the congeners, leaves Smirnoff crystal clear and flawless with no noticeable liquor taste or odor. Discover how perfectly it blends with your favorite fruit juice or soft drink.

YOU READY TO JOIN THE WHISKEY REBELLION TONIGHT?

Every day of the year, a few men, a handful of rebels, stop buying their whiskey by habit. They join the ranks of the discriminating people who buy by choice. Bellows Partners Choice. Why? They hear from someone (maybe their bartender, maybe their best friend) that Partners Choice is gentle on the tongue. And it is.

It's made with more gentle premium whiskeys blended with finest grain neutral spirits. They hear, too, that it's gentle on the pocket (\$4.99 1/5 qt. - \$6.19 qt.). In fact, Partners Choice is the gentle taste in whiskey. Don't wait till someone tells you . . . be a rebel yourself. Instead of habit . . . make it "Choice" the gentle whiskey from Bellows.
