

Projects Advanced In Diocesan Parishes

A new auditorium, library and four classroom addition will be blessed by Bishop Kearney at St. Thomas More parish, Brighton, Wednesday, Feb. 3. Classrooms, library and corridors are carpeted wall to wall.

The power of Christ the King Church, the Rev. William J. Scanziani, announces contracts have been let and actual construction begun on the new convent in the parish of Christ the King, Irondequoit.

A most noteworthy feature of this construction which utilizes load-bearing brick walls, is the fact that no parish drive nor solicitation was initiated because of the titling program adopted by many of the parishioners in March 1963. "The generosity of the conscientious parishioners has eliminated the need for an arduous fund raising campaign," according to the pastor.

THE ARCHITECTS are the firm of Hibson and Roberts; the contractors are: Lescage Corporation, general contractor; Walter Ennis, plumbing; Schuler Electric, electric and Leo J. Roth, heating, ventilating and air-conditioning.

Clothing For World's Needy

Drive Report Highest Ever

The 15th annual Thanksgiving Clothing Collection for the needy of the world, conducted during the week of Nov. 17 in 142 parishes and two institutions of the Rochester Diocese, amassed a record total of 664,598 pounds of usable clothing, according to the final report issued this week by the Rev. E. Leo McManus, diocesan director. This total exceeds the previous record, made in 1962, by 35,644 pounds.

Bishop Kearney sent a note of congratulations to Father McManus, clothing drive coordinator. "I am very happy to congratulate all who took part in the excellent results of the clothing drive. I am sure this great work of mercy will bring many rich blessings to the Diocese," he said.

SACRED HEART Cathedral again led the parishes with a contribution of 22 tons. Other large contributions were made by St. Alphonsus, Auburn (18,044 lbs.), St. Margaret Mary (14,010 lbs.), St. Charles Borromeo, Greece (13,900 lbs.), St. John Evangelist, Greece (12,930 lbs.), St. Ann, Rochester (12,846 lbs.), St. Ambrose (12,512 lbs.), and St. James, Rochester (10,818 lbs.). A new parish, St. John of Rochester, Perinton, participated for the first time.

These impressive figures represent the generous response of thousands of parishioners to the urgent request of Bishop Kearney that we strive to aid those in need," said Father McManus. "They represent also thousands of hours donated by volunteers, as well as a considerable expense to the individual parishes, which have gladly borne the cost of shipping the clothing to the Brooklyn warehouse of Catholic Relief Services."

The nationwide clothing collection, begun in 1949, is conducted by Catholic Relief Services, the relief and rehabilitation agency of the American Catholic Bishops, to aid the needy overseas and wherever emergencies may arise.

Monsignor Thomas F. Connors, pastor emeritus, inaugurated the redecoration program at Blessed Sacrament Church prior to his retiring from active duties last spring. Monsignor Edward J. McAliff, present pastor, supervised completion of the project which also has included renovation of other parish properties.
