GOD LOVE YOU!
By MOST REV. FULTON J. SHEEN

I have a globe in my office. It is large, but not so big that I cannot put my arms around it, as if to embrace every immortal soul in the world. For that is what one must do to be catholic — to be missionary, for they are identical.

There can be two false views of the globe. One is to love a class, a color, a nation, a diocese, a Society. Thus one places his finger on a dot in the globe and says: "This is mine. What is beyond Dan and Bernabes does not concern me." The second view is to see the globe in the Devil's hand, to view the earth as his possession. This is the way Satan presented the kingdoms of the earth to Our Lord on the Mount of Temptation: "All these are mine." These are the most frightful words in Sacred Scripture. But there was a condition under which Our Lord could have had the globe: "Fall down and adore me." The Devil was saying to Our Lord: "You want to put a Cross on top of that world? You do not want the earth as it is; you want to change it. But there is an easier way to own the earth. Love men as they are, in their egotisms, with their pleasures and their dollars. Do not darken the globe with the shadow of the Cross."

Satan failed to win Christ, but he still hopes to win Christians. All he has to do is keep the Cross off the globe. "O yes," says Satan, "put a cross on a building here or there, on a cathedral costing seven million dollars, on a dormitory costing three million dollars or on a luxurious rectory or convent. That cross is not the one on which Christ died! It is only a plaster cross — one can be nailed on it." The Devil does not care if we put crosses on our buildings or on the walls of our homes in the United States, so long as we keep the Cross off the world, away from the millions in Asia, Africa, Oceania, Latin America — everywhere.

It is that shiny globe in Satan's hand which should spur us to get busy for ourselves, our souls, our parish, our business, our diocese, our Society, our land without sharing with the poor of the world — through the Holy Father. You who are rich! Give to the poor! You who are already rich, give to the poor! You who are poor! You are already one with poverty all over the world. You who have more than enough! Leave an acre on the tree, a stool in the field, a chair on the vine for the globe! For the millions! For Christ! Back time we made a sacrifice for the Holy Father's Society for the Propagation of the Faith we put a Cross on the globe! This is the way we save our souls.

GOD LOVE YOU! to E.M. for one penny. "This is all I can send. It is my good luck penny and I like to put it with it, but perhaps it will bring luck to others." — "Mickler" for \$6 in thanksgiving to God for my Catholic Faith, good health and favors received... to W.J.S. for \$50.27 "After reading your column, I was prompted to give up smoking for the Mission. This represents the amount that I would have spent for tobacco during the past five months. In thanksgiving for the strength to stop, I gladly offer this so that someone else may be strengthened with the Life of Christ."

Send us your old good and jewelry — the valuables you no longer use but which are too good to throw away. We will retail the articles and give the proceeds to the Holy Father. You use the money to further the suffering in mission lands. Our address: The Society for the Propagation of the Faith, 336 Fifth Avenue, New York, New York 10001.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 336 Fifth Avenue, New York, N.Y. 10001, or your Diocesan Director, Rev. John F. Duffy, 33 Chestnut Street, Rochester, New York 14604.

This bread may very well make the best toast you ever tasted...
Monks' Bread has a flavor you can't toast away. It has a goodness you don't find in most bread. It's a bread that wasn't meant to be sold. It began as simple sustenance for the monks at the Abbey of the Genesee — men who eat no meat, no fowl. All the good things the monks baked into their full-flavored loaf naturally toast up better. Try Monks' Bread tomorrow, toasted.
