Girls, a brewer finally did something just for us. The Genesee brewers have brought out a little beer bottle that just fills one glass. It's called Genesee Junior. Comes in an eight-pack. And these little no-deposit bottles hold just enough beer to quench a lady's thirst. Just enough beer to refresh you during a heated game of canasta, or while you're making a pot roast. I hope there aren't any men reading this. What if they find out about Genesee Juniors?

NEW GENESSEE JUNIOR. FILL JUST ONE GLASS. Genesee Junior is a lovely light beer that's just what you need. It's back to our family brand. See the Genesee Junior logo on the label.
