

# Crusaders Vs. Knights for Title Fisher Closes With 11-7 Record

The St. John Fisher basketball squad ended its third year of independent play Saturday with its best record—11 wins and 7 losses. The predominantly freshman Cardinal team put off a better record last season but improved rapidly as their experience and confidence grew in each game. By mid-season, the team began functioning well as a unit and ran up a string of seven wins in a row before being stopped by Geneva on Saturday.

Athletic director Bobby Warner reports that this was a season for the development of Cardinal teams and the future. There was only one player on the team at the end of the season who was a senior. Warner will be working the 1964-65 season with a veteran group who are accustomed to working together as a team.

The Fisher team next year will be improved, he will the competition. In an effort to upgrade the caliber of next year's squad, Warner will recruit several players from the State University of New York at Brockport, State College, and Fredonia State University.

The high school and college basketball on the Cardinal squad this season was John Galbraith, who scored 27 points during the season in spite of a broken hand because of illness. Galbraith, who averaged 18 points per game, was the team's leading scorer. He was named MVP of the team.
