The St. John Fisher basketball squad closed its third season with a 11-7 record Saturday night.

The Crusaders defeated the Knights in a game that was held at the St. John Fisher gymnasium.

Notre Dame, which had a record of 12-4, was the Crusaders' opponent in the championship game, advanced to the final with a 10-2 record.

This will be the fourth time the Crusaders from the Southern Tier have fought for the championship. In 1949 and 1950, they lost out to Aquinas, and in 1951, it was McQuinn who took them by a 52-49 count.

In its victory over Cornell and DeSales, St. John's Notre Dame team showed the same all-around talents that sent it into the tournament as a strong contender for the crown.

Increased play was at the top of the game in the "Big Game" against Aquinas. For almost a half the Knights wrestled the Little Fish for the lead, and with 3 minutes to go before intermission they were down, 20-24.

## Fisher Closes With 11-7 Record

The St. John Fisher basketball squad closed its third season with a 11-7 record Saturday night. The Crusaders defeated the Knights in a game that was held at the St. John Fisher gymnasium.

All of the Cardinal's starting players, John Galbraith, Mike Davis, Mike Ballist, Gerry McCall, John Fitzgerald and Steven Carroly, averaged 15 or more points per game.

In summing up the past season, Warner said that "the key to the team's good showing this year was balance. We weren't forced to rely too heavily on any outstanding individual player. Each victory this season was a team victory."

Our defense improved as the season progressed. We did not let the opposition get into our key players. We managed to keep our opponents down to an average of 40 points per game while our average score was 60 points.

The high scorers and top rebounders on the Crusaders this season were John Galbraith, who scored 27 points during the season in spite of a broken hand because of illness.
