GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

This letter is typical of those that come from our mission bishops who are laboring in countries where the Communists are beginning to devastate lands and to ravage the Christian.

"As a matter of fact, it is very difficult for the propagation of the holy Faith at this time, a more than ever parish where the godless Communists are reigning, religion is simply forbidden. The Catholics were told not to go to church, to catechism, classes or to say prayers. The Communist tell them that all these things are useless to the fatherland. One of my priests had to leave his three parishes under the formal threat of death. This two catechists and two Sisters tried to stay, but were finally forced to leave. God save the poor sheep they left behind, for they are now converts! Another priest got out of his parish where he was constantly invited to attend Communist meetings. His three parishes are in the middle of the jungle occupied by the enemies of God's Holy Name. For the last confirmation tour in the most remote part of my diocese I had to travel incognito so as not to arouse Communist notice. I was almost drowned by the violent waves which rocked the frail craft packed with passengers of all ages. Thank God we were safe and sound, but the sacred vestments were soaked through. The hardships never scared my priests, however, who need and deserve continued assistance in order to carry on joyfully their sacrifices for the greater glory of God and the salvation of souls."

"May the bishops and priests of the United States, who will fall upon this letter listen to make some sacrifice that will forward it to the Holy Father for this bishop and many other bishops of the Church who are poor. To the Lord, too, we send our appeal, inasmuch as you are brothers and sisters of the converts mentioned in this letter. St. Paul tells us that if one member of the Church suffers, the whole Church suffers. This is true of our physical body when, if our foot gets cut, the whole organism seems to share the pain. May our Catholic people translate week after week their love of the suffering afflicted Church throughout the world, and do some acts of self-sacrifice for the Holy Father and his Society for the Propagation of the Faith."

"GOD LOVE YOU to Mr. P.K. and family for life." The best of our seven children is an aspirant to religious life and upon thinking of this and all the other things our family has, we think it is time we share this. This is a contribution of our income tax return, coupon returned, cigarette donations, of course, the children put in some of their baby-sitting money and their "piggy bank" ... the Rev. Mr. W. H. for \$3.15 "In Thanksgiving for all that we have, upon completing the Nine Day Novena. This represents the total collected each day, one cent for each phone call placed or received, and two of our boys gave up their bus ride and used bicycles. Our family of eight is happy to share, hope it helps someone in need."

"Why not give a GOD LOVE YOU MEDAL to the graduate in your family? The ten letters of GOD LOVE YOU stand out like the rosary as they enclose the medal originally by Bishop Sheen to honor the Madonna of the Rosary. Your request and corresponding offer you may order one in any of the following styles:
