

Sister Andrew Marie and Miss Marian Scanlan view the present medical service wing project at St. Mary's Hospital, and note the location of the new out-patient department.

New Out-Patient Department Set

Sister Andrew Marie, supervisor of clinics, Providence Hospital, Washington, D.C., is presently at St. Mary's Hospital to consult on final plans for establishing

the out-patient department in its new quarters in the medical service wing now under construction at St. Mary's.

Sister Andrew Marie's experience with clinics covers assignments in several hospitals operated by the Emmitsburg Sisters of Charity. Originally from Cleveland, Ohio, Sister received her nursing education at Georgetown University Hospital and her B.S. degree from St. Joseph College, Emmitsburg.

The out-patient department, presently directed by Miss Marian Scanlan, was first established in 1922. It is licensed by the New York State Department of Social Welfare to "furnish out-patient medical care to those persons unable to provide such care on a private basis."

Through the years St. Mary's out-patient department has earned a reputation in the community for excellence and availability. Personnel engaged in clinics constantly strive to give the best care possible.

The out-patient department

operates 29 clinics and in the past 42 years has treated over 51,000 persons. Over 600,000 visits have been made to receive these services.

Ordinations Saturday At Cathedral

Fourteen young men will be ordained to the priesthood at Sacred Heart Cathedral Saturday June 6, at 10 a.m.

Bishop Casey will be the ordaining prelate.

All fourteen new priests will celebrate their first solemn Masses in their parish churches the following day, Sunday, June 7.

Parish bulletins should be consulted for precise time of their Masses and receptions that afternoon.

Memorial Day Honors Slain President

Memorial Day float depicting Arlington grave of late President John Kennedy was constructed by St. Patrick's Memorial Post 1266 of the Catholic War Veterans and sponsored by the County Chapter. The Rochester Memorial Day parade this year honored the President, who was a veteran Navy man with service during World War II. Chairman of the float and originator of the idea was Sam Ronzo who arranged an Honor Guard for the float with active reserve members from each of the four services from the Rochester area.

Festival to Honor St. Anthony

Religious ceremonies, a parade, and fireworks display will mark the 22nd Annual Celebration of St. Anthony's Feast Day in Charlotte (Rochester), on Saturday, June 13.

Over 40,000 people are expected to view and participate in the Annual Festival. The Festival, held in honor of the great Italian preacher of the 15th century, was first started at Holy Cross Parish by a few parishioners. The tradition has been carried on and the affair has mushroomed into a great community effort, with county-wide participation.

THE FESTIVAL will open with a 9:30 a.m. Solemn Mass at Holy Cross Church, 4402 Lake Avenue, Rochester, with Rev. Robert H. Fennessy, Celebrant. Following the Mass, a procession of church organizations, including the Knights of St. John and Auxiliary, will proceed to the St. Anthony Shrine on the church grounds for exercises represented, with over 2500 persons in the line of march.

The annual parade will begin at 7 p.m. at Charlotte High School at Hewitt Street, proceed to Lake Avenue, and travel north to Ontario Beach Park. Approximately 70 units will be participating.

Participating units will include the Holy Central School Hawks, Nazareth, Barnard, Clon MacNaughton Scottish Band, plus drum and bugle corps, drill teams, local clubs and organizations, floats, scouting and little league groups, Miss U.S.A., Michele Metrinko, Miss New York City, Marsha Metrinko, and Miss New York State, Barbara Ann Gibebe will be present.

Religious over the Festival this year is St. Anthony's Queen, Miss Suzanne Corrigan, Miss Dianne Ferioli, Alternate Queen, will also participate. Local participation will also include Miss WBBF and the Monroe County Harvest Queen. Miss Janice Smith, Olympic participant, is also expected to be present.

A reviewing stand will be set up north of Holy Cross Church. City and local dignitaries are expected to attend. Trophies will be awarded to the best marching groups in each division.

A gigantic fireworks display will start at 10:00 p.m. at the Ontario Beach Park. A great finale is expected, including shooting rockets, a tribute to the U.S. Flag, and our Country. Rain date for the parade and fireworks will be Sunday, June 14, 1964.

Nuns' Parents Plan Meeting

The next meeting of the Sisters of St. Joseph Auxiliary will be held Wednesday, June 10, at 7:30 p.m. in the Nazareth College Auditorium.

This annual summer picnic and other interesting topics will be discussed. There will be refreshments following the meeting.

Aquinas Student Atomic Scholar

An Aquinas Institute junior is one of four top high school science students selected from sixty-five high schools of the Rochester area to represent Western New York at the National Youth Conference of the Atom in Chicago November 5 through 7.

James A. Chaffery, son of Mr. and Mrs. Anthony J. Chaffery of 453 Hazelwood Terrace, will be the guest of the Rochester Gas and Electric Corporation for a three day science seminar.

Chaffery, a member of St. Ambrose parish, was chosen because of his excellent academic record and his interest in nuclear energy development. He is a science major maintaining an average of 95.66 per cent.

THE PURPOSE of the conference is to demonstrate the peaceful uses of the atom before some of the nation's most gifted high school science students and their teachers, and to help advanced interest in science study.

Rev. James Cross, C.S.B., head of the Aquinas science department, was chosen to attend the conference two years ago.

Speakers at the seminar will include Dr. Glenn T. Seaborg, chairman of the U.S. Atomic Energy Commission and Dr. R. Christian Anderson, assistant director of Brookhaven National Laboratory.

Chaffery will be flown to Chicago and will be given a tour of the Argonne National Laboratory, the Chicago Museum and atomic power plants in the Chicago area.

Science teachers from eight Rochester area colleges chose Chaffery from among the sixty-five high schools in the Rochester Gas and Electric service area.

Besides the Platoon Drills and a performance by a fine Drill Team composed of 7th and

8th graders, there will be the annual Awards Ceremony.

Also included in the program will be the impressive ceremony of the lowering of the tary process and skills in the notes of retreat are played on the trumpet by a member of the renowned Aquinas Institute Marching Band which will provide the music for the entire event.

The Cadets were trained this

Cadets List Annual Review

Departing a bit from the tradition of holding an annual Spring Review on a Sunday afternoon, Cadets at Nazareth Hall will demonstrate their military prowess and skills in the notes of retreat are played on the trumpet by a member of the renowned Aquinas Institute Marching Band which will provide the music for the entire event.

year by Gary Sgt. Phillip Stinson, U.S.M.C. a member of the N.R.O.T.C. staff at the University of Rochester.

Captain W.H. Game, U.S.N. and Major Victor Ohanesian, U.S.M.C. also of the N.R.O.T.C. at the University of Rochester will be Guest Inspectors of the Parade.

The public is invited to attend this colorful event.

OPENING SUNDAY

THE HOUSE OF DIMENSIONS

in *Bright Oaks*

An exciting new home—the House of New Dimensions—opens Sunday to show you how the three elements of light, reflection and color can create a new sense of space. The secret is professional creativity. Architect Herman York, A.I.A., interior decorator Robert Sherman, N.S.I.D., and builders Caldwell and Cook worked together to bring new ideas, new beauty and new glamour to the home using new and exciting products by Pittsburgh Plate Glass Company. See the double staircase entry . . . See the stunningly mirrored dressing rooms . . . See the walls of sliding glass doors opening onto a house-length terrace . . . See the sculptured glass enclosures in the baths . . . See the family's glass "chalk board" . . . See a house that is at one with nature through the use of natural daylight and open vistas of space.

LIGHT: Bright and inviting, the House of New Dimensions creates sensations of space with dramatic wall areas of glass by utilizing the remarkable characteristics of Herculite®K Tempered Safety Glass and Twindow® Insulating Glass. PPG products help to bring the outdoors in. **REFLECTION:** Using High-Fidelity® Plate Glass Mirrors throughout the house, and Glide-A-Mirror® Sliding Wardrobe Doors, the House of New Dimensions becomes doubly convenient, doubly dramatic, doubly beautiful. **COLOR:** Through the creative application of PPG Color Dynamics®—as developed in the scientific

discover a new sense of space interpreted in LIGHT, REFLECTION AND COLOR

laboratories of Pittsburgh Paints®—it is possible to change a mood, relax a family and create new vistas of space. Professional color styling brings to the House of New Dimensions a revolutionary concept of interior and exterior beauty.

The nine room House of New Dimensions contains four bedrooms, three baths and an integral two car garage. It can be purchased for twenty-eight thousand, nine hundred dollars.

TO GET THERE: Take Chili Avenue to Chestnut Ridge. You'll see our signs just off the left, on Chili. open 1 to 9 p.m. daily
