## Needy Negro To Benefit From Grant

As a parting gift to their Alma Mater, the graduating class of 1964 of Our Lady of Mercy High School has left the remainder of its treasury as a basis for a scholarship to the school. It will be known as the Bishop James E. Kearney Scholarship and will be given to a needy Negro student.

Subsequent graduating classes will augment the fund from their remaining treasures at graduation.

The announcement of the scholarship was made at the seniors' Communion Breakfast on graduation morning, June 19, by class president, Jeanne Dank, and secretary-treasurer, Kathleen Hickey.
