

Job Placement Program Inaugurated by CYO

Boys in the 14-16 year age bracket interested in obtaining summer employment are being aided by a new C.Y.O. program of Job Placement.

After lengthy studies were made, there were found to be enough youths in the inner-city confines in need of work and with a desire to work but with little opportunity to obtain the necessary placement.

The C.Y.O. assisted by the parish are working jointly in this endeavor to place youngsters in these four parishes in job situations that they normally would not hear about.

JOSEPH JUDGE, former C.Y.O. Director of Men and Boys' Gym Activities and presently Physical Education Instructor in the Rochester Public School System, has been hired as Placement Director for this new ten week program.

Boys who are willing to do odd jobs such as: lawn mowing, painting, window washing, garage and cellar cleaning and etc., are interviewed by Judge and then, through his efforts, suitable placements will be placed in positions and paid the minimum wage for their services.
