

Patronal Church Sets 35th St. Anne Novena

Thirty-fifth Annual Novena devotions in honor of good St. Anne will be observed in St. Anne's Church, 1600 Mt. Hope Avenue, beginning Saturday, July 26. Services begin at 7:45 p.m.

Prayers recited in dialogue at the services are those that are traditional at the famous shrine of St. Anne de Beauce, Province of Quebec, Canada. Above the high altar of the local St. Anne's Church is enshrined a large and authentic copy in oils of Murillo's picture of St. Anne with the young Virgin Mary.

Devotion to St. Anne has been popular in the East since an early date. It began in the West at Douai in France, and spread through the Church after 1548. French missionaries brought the devotion to the New World, and shrines and churches were dedicated to her along the banks of the St. Lawrence River. Catholics of the Rochester Diocese have long shared this devotion to the mother of Mary.

A special sermon will be

Tour Scheduled To Washington - 65 Colleges Represented at Summer School

Clyde—Plans for two pilgrimages are being made by Margaret Colasurdo, 172 Lock St., Clyde N.Y. WA 3-3261.

A PILGRIMAGE to Washington D.C. is scheduled July 27 to 30. The group will visit President Kennedy's graves, the Capitol, White House, Tomb of the Unknown Soldier, Franciscan Monastery, Shrine of the Assumption, St. Matthew Cathedral and government buildings.

Individual must have birth certificate or naturalization papers to enter Canada.

Interested in creating a little heaven to while away the summer hours? Try gathering together all the students on the Nazareth College campus and ask them to sing their school songs. If you could distinguish one from the other, you would hear choirs extolling the merits of 65 colleges. Add to that the voices of faculty members representing 50 high schools and you have some idea of the melodic confusion that would result.

Approximately 80 of the students are in the graduate division, 22 in the English Institute and 30 in the Biology Workshop. The rest, including 31 Nazareth College students and 45 St. John Fisher students are enrolled in the undergraduate program.
