

## Track, Field Champions To Hold State Meet

Track meets from all corners of the State will gather in Elmira, Saturday, August 1, for the Fourth Annual New York State Track and Field Championships, with two main thoughts in mind—1. Shoot for the record in various events. 2. Help bring "home" the team title.

With each year, it appears harder to get the new mark.

In 1962, the second year of the State Meet, all but three records fell. Left standing were the marks in the pole vault, 13-6 by Paul Woodall of the New York Athletic Club, and the 23.5 220-low hurdles time of Dick Pitts of United A.A. of Brooklyn—two records that stand today, and the 6-foot high jump of Jeff Little (NYAC), since topped by Al Buckley of Garden Town T.C. (Buffalo) at 6-4.

There was a new mark established in 1962 when John Koppl (NYAC) ran a 9:30.2 in the Masonic 2-Mile, a race added that year.

LAST YEAR, in the men's events, only six records were bettered.

Marks in two of three girls' events were broken in 1963, the second year the girls' races were added and a mark was established in the 440-yard event which replaced the 60-yard dash of '62.

On the second question, teams have come very close to knocking off Garden Town in both '62 and '63, but close is as far as they got as the well-balanced Buffalo captured the team title in all three years.

The closest battle came in '62 when a final relay race found GTTC edging the New York Pioneer Club by one point.

Last year the NYAC, a third place finisher in the first two years, came within five points of tying the champs.

In the initial State Meet in 1961, Tarrytown finished 10 points behind GTTC.

The host Elmira K of C Track Club put up its best showing last year with a fourth place finish, one point behind the Rochester Track Club.

Cosch Glen Mallette's boys came home sixth in 1961 and eighth in 1962.

Last year's individual standout was little Chuck Gullo (GTTC), former Western Kentucky star, who set a 9.6 mark in the 100, captured the 220 and anchored the winning record-breaking 880-yard relay team.

The Convention is being held at the Diplomat Hotel, Hollywood by the Sea, Florida.

Mrs. Leone is a State Delegate to the Convention representing all Catholic Daughter Courts in the Diocese of Rochester.

Mrs. Daniel Baldini was general chairman. Mrs. Mary Wezel was winner of a camera, while Mrs. August Pasetti was winner of a cash award.

In the field events, Yul Yost of the NYAC, a record holder in his native Yugoslavia, shattered all State shot put marks with a gigantic heave of 53-1.

Bill Straub, Heptagonal and Penn Relays champ from Army, put forth a strong effort in winning the Hibernian Mile in 4:27.4 and finishing second to Charlie Buchta (NYAC) in the 880.

In 1962, it was all Charlie Buchta of the Grand Street Boys of New York City, former Maryland State star and former indoor long jump champion, who won the 220 in the record time of 21.5, the triple jump and the long jump.

Close behind him that year was the diminutive Koppl who took both the mile and two-mile.

FRAN SMITH (GTTC), former Cornell track captain, Hopa champ and qualifier for the 1964 Olympics at Tokyo, was a standout in the 1961 competition, with wins in the John Blash Memorial 440 and the JAC 880.

The only competitors to win in the same event in consecutive years have been Koppl in the 2-mile in 1962 and 1963 and Roger Schmidt (GTTC) in the Pepsi-Cola Discus in '62 and '63.

Smith and Gullo are the only other ones to repeat in an event, but not in back-to-back years. Smith took the 440 in 1961 and 1963 and Gullo won the 220 in '61 and '63.

A lad whose track development began to take shape about the same time the State Meet was started at Parker Field was John Camien who won the Hibernian Mile in 1961 with a time of 4:25.

John went on to star at Empire State Teachers and became a sub 4-minute miler while doing so.

Two marks were broken by the girls last year. Gladys Reynolds of the Police Athletic League of New York City posted a 11.0 in the 100 to better the 1962 mark of Kathy Krajewski (GTTC), 11.4.

The PAL #1 relay team bettered its own mark in the 440-yard relay, cutting the course in 49.8.

Miss Krajewski won the 440-yard race, newly added in '63, with 60.6 barely edging out Jackie Peterson of PAL.

Five girls' teams participated in the '63 meet—PAL, GTTC, the Elmira Girls' Track Team, Carver C.C. of Schenectady and the Triangle Track Club of Hornell.

There will be 19 events on the card for Parker Field August 1. The field events and time trials begin at 5 and the main running events at 7.

Admission is \$1. for adults and 50 cents for grammar school children accompanied by adults. Some changes in the program, due to the re-sodding of the gridiron, have been necessary. The pole vault and high jump have been eliminated.

In their places, there will be a special High School Invitation Mile and a High School 880 Relay.

The 120-high hurdles have been substituted for the 220-lows, so the far side of the track will not become clogged with spectators. The 120 highs will be run in front of the grandstand.

The sponsors ask that no spectator walk in the gridiron of track.—B.R.

## Biology Beats the Heat At Nazareth Workshop

Interested in taking your mind off the heat?

Why not try a Biological Science Curriculum Study—Yellow Version?

A trifle far-fetched for the average citizen—but not for the ten earnest secondary school teachers who are learning how to put together a modern biology course at Nazareth College.

They are all participating in a program launched by the American Institute of Biological Studies to acquaint teachers

with recent developments in science and pinpoint problems in biology still to be solved. The Biological Sciences Curriculum Study, as it is called, comes in three colors: yellow, blue and green. Yellow, the version now being taught at Nazareth, takes a cellular and genetic approach to biology, blue, biochemical and physiological, and green, ecological and evolutionary.

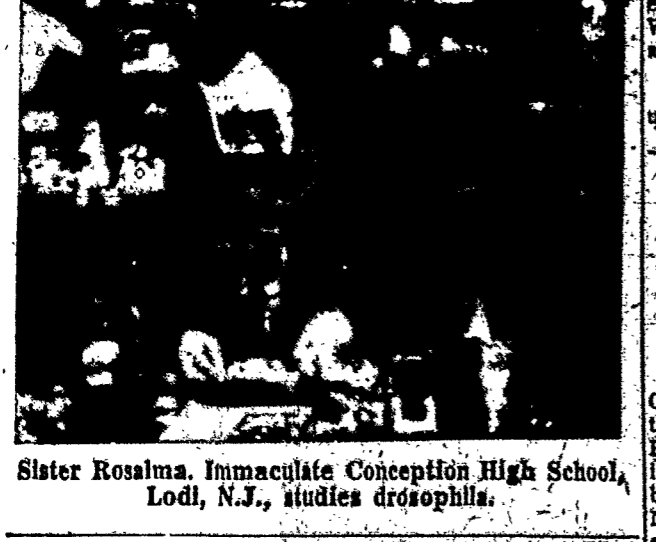

THE COURSE consists of lectures, basic techniques demonstrations and laboratory work. Specimen-collecting field trips

are taken to Powder Mill Park, Niagara Falls and Mendon Ponds. Ward's National Science Establishment was also visited by the class.

Many of the students currently enrolled in the Nazareth program will put into effect a B.S.C.S. lab-based program in their own schools within the next year or two.

Sister Francis Solano, S.S.J., is director of the program. She is being assisted by Sister, M. Joan, S.S.J., and John Young, director of Education Services at Ward's Natural Science Establishment. Miss Jean Worth, a Nazareth graduate, is also assisting in the course.

The workshop will end August 1.

Sister Rosalma, Immaculate Conception High School, Lodi, N.J., studies drosophila.

## 25 Years Ago

(From files of Catholic Courier, July 29, 1938)

Annual Novena in honor of St. Ann conducted at the national church in Hornell was dedicated to the memory of Very Rev. Francis J. Naughton, Rev. John F. Farrell and for the welfare of Rev. Jeremiah A. Maley, formerly ill.

Catholic Daughters of Rochester at CDA convention in Detroit heard Rev. Lucian Laumann, Director of the National Catholic School of Social Service declare that while Catholic education for social service is a fact, statistics show Catholics are not holding their own in the field of social work education.

Mrs. Anna Ryan, supreme trustee of the Ladies Catholic Benevolent Association was to report to members of Rochester Advisory Senate on most recent meeting of national Board of Trustees.

## President Commends CDA Program

President Johnson, in a message to the Catholic Daughters of America convention in Hollywood, Fla., told them they are helping to build "the great society."

Mr. Johnson's telegram was sent to Margaret J. Buckley, supreme regent of the CDA. This is the text:

"I am pleased to send hearty greeting and good wishes to the Catholic Daughters of America as you assemble in convention. I wholeheartedly commend your members for their generous espousal of the ideals which help to mold the lives of our young American women and prepare them for their vital role in our communities.

"OUR COUNTRY needs the qualities of heart and soul which only its women can provide. In guiding these young ladies along the path of virtue and Christian charity you fulfill a most urgent demand in our common goal to build the great society.

"For this endeavor and for your many other worthy accomplishments, I extend to you my warm appreciation. I know that in the years ahead you will sustain the same high level of service which has been characteristic of your past endeavors."

## Ladies of Charity Mark Patron's Feast

Members of the Ladies of Charity observed the Feast of their Founder, St. Vincent de Paul Sunday, July 19, in keeping with the suggestions made by Miss Diane Ruth Downey, National President of the Association of the Ladies of Charity of the United States.

The Holy Sacrifice of the Mass was offered by the Rev. David N. Mattie, Spiritual Director of the Greater Elmira Unit of this International Organization. Members received Holy Communion and Father Mattie's sermon during the Mass which was at St. Peter and Paul's Church at 8:30 o'clock on the Feast, was on St. Vincent de Paul.

A special decorated Shrine honoring the patron of the Ladies of Charity was erected in the sanctuary.

The Elmira unit responded to the appeal of Miss Downey in the service, publication

of the local program and the multiple spiritual and temporal works of mercy which make the program of the Greater Elmira branch of the Ladies of Charity, headed by Miss Collins, President, was expressed in a long distance-call from Los Angeles, California.

Her message was received at the close of the Feast Day by Miss Mary E. FitzGerald, Executive Director of the Elmira unit and a member of the Board of Directors of the National Organization.
