### Old Gilonet

BY ANNE CULKIN

My mother has atways taught me that if a leacher goes is ting, and it is aimply this. A crase a blackboard yes about woman walks to the chair, fells offer to do it for her. Every time I do, some of the kids look one leg, then bends and use at me as if I were doing something wrong or trying to apple thing wrong or trying to apple thing wrong or trying to apple this that, she cannot herealt into the I say to them, because I think work and has perfect balance as the site.

Dear Eleanor:

her sister's matron of honor Dear Miss Culkin:

this more than your "little New Churches friend." Remember, Morfils while it is true that

present them to him in public ties — should come close to of will call for a gesture that is exceed the billion dollar mark most awkward: for the year. In 1963, the total was approximately \$10 million

telkin thoto Dear Miss Culkin:

started during the first six months of 1964 was 33 per cent ahead of the comparable period in 1963, but the value of construction begun by church-restriction below the figure for the previous year.

At the time of Fresident Approximately \$466 million church construction was daughter of Mrs. Lyndia Ann Schafford. Kennedy's death, I read where the work in church construction was started during the January-June daughter of Mrs. Henrietta Schafford of Colonial Rd., be New I read where the work lion last year.

And the time of Fresident in church construction was started during the January-June daughter of Mrs. Kennedy's death, I read where started during the January-June period, compared to \$476 million last year.

And the time of Fresident in church construction was going to wear period, compared to \$476 million last year.

And the time of Fresident in church construction was going to wear period, compared to \$476 million last year.

And the time of Fresident in church construction was going to wear period, compared to \$476 million last year.

And the time of Fresident in church construction was going to wear period, compared to \$476 million last year.

And the time of Fresident in church construction was going to wear period, compared to \$476 million last year.

And the time of Fresident where the where the wore lion last year.

The Census Bureau does not below the figure for the previous period of Canton St., and the statistical and the period of the compared to \$476 million last year.

The Census Bureau does not below the figure for the previous period to \$476 million church construction was going to wear period.

And the time of Fresident where the work lion last year.

And the time of Fresident where the work lion last year.

The Census Bureau does not below the figure for the previous period to \$476 million last year.
