Notre Dame Sisters To Attend Conference

Delegates to the Tenth Educational Conference of the School Sisters of Notre Dame from Rochester include Sister Mary Beatrice, community supervisor; Sister Mary Aileen, principal, Holy Family School; and Sister Mary Louise, vice principal of Bishop Kearney High School.

The conference is being held this year in Watertown, Ontario, Canada, from August 17 to 21. The theme, "Personality Maturity in Religious Life," is the concluding topic in a five-year dialogue series on Mental Health and Personality Development, conducted by the Rev. John J. Evey, S.J. and the Rev. Van F. Christoph, S.J. of Gonzaga University, Spokane, Wash.

Mother M. Lonetto, provincial superior of the School Sisters of Notre Dame in Canada, will convene with the Board of Governors and the Executive Council to appraise the present educational status of the congregation and to project plans for future development. The Board of Governors comprises the provincial superiors of the seven American provinces.

Department meetings on the elementary, secondary, and higher education levels are an important contribution to the value of the conference. Consideration will be given to professional development, common

State Track Winners Eye Tokyo Olympics

Three double winners took their minds off their concentration in the Fourth Annual New York State Track and Field Championships, wiped the sweat and and clunder powder from their brows just long enough to watch the August sun set in the direction of their dreams—Tokyo, Japan.

Three lads, with that glorious Olympic hope still alive, made Elmira's Parker Field's new maddas glow even brighter with their exploits.

For Trenton Jackson, representing the Rochester Track Club, it was his first chance to cement his place on the Olympic team, a berth he all but clinched in the 100 meters at the initial Olympic tryouts recently at New York.

Jackson established two new State records as he flew 9.5 in the 100 and 20.7 in the Junior Association of Commerce 220.

Jackson of the University of Illinois, Big Ten 100 and 220 champ, was voted the meet's Outstanding Male Performer in the closest balloting by officials in the 4-year history of the meet.

Charlie Mays, with a record broad jump, a victory in the triple jump and a second to Jackson in the 220 and a real surprise to Elmira cinder boots, Ron Davis of the Long Island Striders, who registered new State marks in the Hibernian Mile and Corning Glass 2-Mile, caused a near-knot in the consideration.

Americans Help Rebuild Isolated Panama Village

Cerro Silvestre, Panama — McTernan, chaplain of the 193rd (NC) — Thanks to American military personnel and a Catholic chaplain, this once isolated village 15 miles west of Panama City is full of hope today.

Until May, 1963, it consisted of a few thatched huts cut off from schools, jobs and a highway by thick jungle and a stream that frequently changed its course. Now four new homes have been finished by the villagers with the aid of technical help and equipment from the Americans. Construction, has started on 25 others and 20 more are planned.

Coordinator of the selfhelp project is Father Frederick J.

The women's federation supplied the cement, the Army gave sand and a private contractor donated trucks. The Women's Sodality of Fort Kobbe, where Father McTernan is stationed, held a raffle which netted \$3,000 for machines to make the blocks.

Soldiers and sailors taught natives how to run the concrete machines, helped pour foundations and floors and installed metal roofs. Access roads for sand and cement trucks and a tuxury bridge over the unpredictable stream were built by a Navy construction team.
