State Track Winners Eye Tokyo Olympics

Three double winners took their minds off their concentration in the Fourth Annual New York State Track and Field Championships, wiped the sweat and cinder powder from their brows just long enough to watch the August sun set in the direction of their dreams—Tokyo, Japan.

Three lads, with that glorious Olympic hope still alive, made Elmira's Parker Field's new mezzards glow even brighter with their exploits.

For Trenton Jackson, representing the Rochester Track Club, it was his first chance to cement his berth on the Olympic team, a berth he all but cinched in the 100 meters at the initial Olympic tryouts recently at New York.

Jackson established two new State records as he zlew 9.6 in the 100 and 20.7 in the 220 for Association of Commerce.

Jackson of the University of Illinois, Big Ten 100 and 220 champ, was voted the meet's Outstanding Male Performer in the closest balloting by officials in the 4-year history of the meet.

Charlie Maya, with a record broad jump, a victory in the triple jump and a second to Jackson in the 220 and a real

surprise to Elmira cinder buffs, Ron Davis of the Long Island Striders, who registered new State marks in the Hibernian Mile and Corning Glass 2 Mile, caused a near-knot in the consideration.
