

## Bolivia Mission Beckons Nun

A former Rochesterian will travel by donkey, mule and boat by foot to reach the widely scattered families in her new mission station in Bolivia.

Sister Emery Kavanagh of the Missionary Sisters of the Immaculate Conception will leave for the mission in Bolivia following 24 years of service in Texas. A former member of St. Augustine Parish, Sister Emery attended Nazareth Academy and graduated from Mercy Hospital in Auburn.

A departure ceremony will be held Sunday, Sept. 6, at Immaculate Conception Convent in West Patterson, N.J. Bishop Thomas R. Manning, O.F.M., of Corcoran, Bolivia will preside.

Sister Emery's service in Guanay, Bolivia will follow an active mission career in Texas where she helped found the first Negro mission school and hospital in 1940. She entered the order in 1924 and later studied at St. Bonaventure University and at Catholic University.

She will leave on Oct. 7, aboard the Grace Line freighter

Santa Rita for a 19 day trip to Bolivia where she and three other sisters will found a new mission.

They will make a house-to-house survey of the area which has only three to four families per mile. The area is also in great need of medical help. Sister Emery and another sister are nurses and will help alleviate some of the problems the people now encounter.

Another problem the sisters will face is the three languages they will have to master. Besides Spanish, which they have been studying for a year, they will also have to learn the languages of the two Indian groups in the area.

Sister Emery is the sister of the Rev. Michael Kavanagh, S.J., now stationed in India, and the late Rev. Ambrose Kavanagh, S.P., who died last year. She is also a cousin of Monsignor Edward Ball and Monsignor John Ball and Sister Edwina Marie, S.S.J.

## New Parish Site Purchased In Elmira-Corning Area

Site for a new Catholic Church to serve Elmira-Corning area was announced this week by Rt. Rev. Msgr. Leo G. Schwab, dean of the Elmira-Schuyler Deanery after purchase of two tracts of Big Flats land totaling 22 acres was completed.

THE MAIN TRACT is nearly flat and measures 1,034 feet on the Davenport Road. It is 1,026 feet along the south line, 283 feet on the west end and 470 feet on the east end.

The other lot abuts the southeast corner of the main tract and measures 310 by 287 feet.

The property is located on Davenport Road north of Rt. 17, just off Olcott Road. Construction date has not been set.

In a statement authorized by James E. Kearney, Monsignor Schwab said:

"Aware of the continuing growth and development in the area north of Elmira, the Diocese of Rochester has secured 22 acres of land on the Davenport Road in Big Flats for the establishment of a new church at a later date."

"It will be the first new Catholic church in Chemung County since Our Lady of Lourdes was built in 1940.

Bishop Kearney said the new parish "is evidence of our progressive interest in the industrial and residential growth of the Southern Tier."

"We are pleased to expand our facilities to serve the people of the Elmira-Corning area and trust that this step in founding a new parish will be a measure of our confidence in the priests and people living in the Chemung and Steuben community," he said.

The property was secured from Charles LaFollette and

David Sheppard of Big Flats. The purchase price was not disclosed but was reported to be in excess of \$20,000.

The Diocese of Rochester was represented in the transaction by Paul M. Donovan of the firm of Cramer, Donovan, Granger and Davidson of Elmira.

Donovan was asked early in the spring to locate and purchase a suitable site.

He thanked area officials for assisting in providing information on future growth and other factors which helped determine the site.

"The people in the area, town officials, the County Planning Board, the County Health Department, and the Horseheads School District were wonderfully cooperative," Donovan said.

Diocesan officials said the establishment of parish boundaries, the appointment of a pastor and the designation of a patron saint from whom the new parish will take its name will not be done this year.
