New Mother of Sorrows Church

ARTIST'S CONCEPT of the new Mother of Sorrows Church in Greece. A \$300,000 minimum-goal campaign to finance construction of the proposed new church and rectory is now under way. Site of the project is present, church-owned property at the intersection of Mt. Road and Latta Road. Noting "excellent progress" in the \$300,000 minimum goal campaign for a new church the pastor, Rev. George S. Wood, announced the formation of a 165 member ladies' census committee to conduct a parish-wide registration of new parishioners, preparatory to the campaign solicitation of support pledges. The rapid development of the area with a consequent influx of new families together with recent establishment of new parish lines were stated as reasons for bringing parish lists up-to-date.
