CDA Grant At Nazareth

The annual presentation of the scholarship provided by the Catholic Daughters of America for deserving students will take place at Nazareth College, Friday, Oct. 2, at 1:30 p.m.

Each year the Catholic Daughters of America give, to the superintendent of schools, the sum of \$800 to be administered as he sees fit, in the presentation of the annual scholarship awards.

Father Roche has arranged with Nazareth College for three scholarships, valued at \$200 each to be presented each year to a deserving freshman, sophomore and junior. An individual girl, instead of receiving the \$600 in a lump sum once, will receive the sum of \$200 for her first, second and third year of college.
