"Where The Best Cost Less"

ARCHITECTS RENDERING of the Chapel for the new Notre Dame Retreat House is viewed by the Very Rev. Michael G. Downing, C.S.S.R., retreat house rector, William L. Madden, M.D., James E. Fr. Bauer Publishes New Religion Manual

"Instant Theology" is the title of a new manual by Father E. Charles Bauer, Catholic chaplain of the Newark State School for the Mentally Retarded. Rather than the usual textbook commentary, the manual is a collection of charts and diagrams, summarizing the fundamental truths of the Catholic religion.

Father Bauer is quick to point out that his booklet is not a substitute for the Basic Catechism, but is meant to be an outline that will be of help to inquirers, instructors and teachers, as well as to students.

Father Bauer's interest in developing summary outlines for teaching purposes stems from his days of teaching released time classes at St. Francis of Assisi parish in Rochester.

"I wanted to get away from teaching by rote," commented Father Bauer, "and give the students a graphic description that would enable them to grasp the truths of Catholicism more easily."

Over the years he has expanded the format to include charts on the creed, commandments, sacraments, the ruling teaching and sanctifying offices of the Church. More than one hundred diagrams instantly summarize such topics as the hierarchy, Church councils, the Bible, great heresies, marriage impediments, indulgences, symbols and sacramentals.

The outlines can well serve as a handy review, a quick reference and an easy memory aid to those already instructed in the faith.

Retreat Center Goal Set By Doctors, Dentists

The Catholic Physicians and Dentists of Monroe County have set as their goal in the current campaign for a new diocesan retreat center, the Retreat House Chapel, representing a joint gift of \$50,000.

Announced this past week by the Very Rev. Michael G. Downing, C.S.S.R., rector of the Notre Dame Retreat House and the chairmen for the Catholic Physicians and Dentists Committee, William L. Madden, M.D., James E. Segerson, M.D., James E. Bryan, D.D.S., and Joseph M. Bonafede, D.D.S., the joint undertaking has the active support of a committee of more than fifty prominent physicians and dentists throughout the county.

Solicitation is currently underway with the doctors and dentists calling on their individual professional group. A preliminary report is scheduled for Monday, November 30 at a luncheon Report Meeting at the Retreat House on Alexander Street.

In a letter to all Catholic physicians and dentists in Monroe County, the committee chairmen stated: "Success will depend on not only individual generosity, but also total participation. Some members of our profession have already pledged generously and their donation will be credited toward the goal. This is not an anonymous donation to an equally anonymous effort, but a living memorial enduring long after it is set in a place where it will count the most."

MID-WEEK RETREATS for the doctors and dentists have been held at the existing facility since 1955, with an estimated

of over 550 individual retreats over that span of time. Many hundreds of physicians and dentists also make retreats with their own parish group during the retreat year.

The chapel will be the focal point of the new retreat house to be erected on the west side of Canandaigua Lake. Rising over 360' above the level of the lake, it will be visible for many miles in every direction. With the successful cooperation of the physicians and dentists of Monroe County, the Chapel will bear a plaque with the following inscription: "This Chapel is the gift of the Catholic Physicians and Dentists of Monroe County."

Clear-up solicitation efforts are being pushed in all of the twelve counties of the diocese in an effort to have a full and complete report on all solicitation efforts by Dec. 1.
