Painted Post Woman Chosen By Peace Corps

A Nazareth College senior has been accepted for Peace Corps duty on the Ivory Coast of Africa.

Kathleen Parker of Painted Post received a letter from Sargent Shriver, Peace Corps Director, notifying her that she was one of the most qualified applicants.

"We believe," he said, "you are one of the small group that can do the job that has to be done. It is a tough job with many difficulties and frustrations. But the opportunities and rewards are also great."

The Nazareth College French major will teach an adult education course for Ivory Coast women in basic French after undergoing a three month training period.

Miss Parker is president of the Nazareth College French Club and spent last summer at Laval University in Quebec. She has served as sophomore class president and a regional officer of the National Federation of Catholic College Students. Recently she was one of 15 students named to represent Nazareth in "Who's Who Among Students in American Universities and Colleges."

Camp Stella Maris at Conesus Lake is now accepting registrations for summer program.

39th Season To Begin At Camp Stella Maris

Camp Stella Maris, the Diocesan Camp on Conesus Lake, will open its 39th season on Sunday, June 27, and Camp officials expect another record enrollment.

Founded in 1926 by Monsignor Gerald Lambert and the late Father Eugene Hudson, the camp is now the largest resident Catholic camp in Western New York.

Maintaining a ratio of one adult counselor for every six campers Stella Maris has a staff of 88 persons, including a resident chaplain, resident nurse, ten Sisters of Mercy and twenty-six counselors.

FOR THE BOYS, all of the counselors are selected from St. Bernard's and St. Andrew's Seminaries (college division and post graduate). For the girls, Catholic school teachers and Catholic college students are in charge. Both staffs are supervised by the Diocesan Youth Director.

Dr. Richard Collins of Avon is camp physician and Joseph Morsch is camp caretaker. Offering a complete program of activities geared to the various age groups, campers will be given swimming instruction in small groups by qualified Red Cross instructors, boating, water skiing, fishing.

The athletic field is large enough for three baseball diamonds, a basketball-tennis court, a volleyball court, a rifle range (NRA affiliated) and an archery range. Tetherball and trampolines round out the athletic schedule.

A well-equipped craft lodge features clay modeling, leathercraft, woodworking and boondoggling. Overnight hikes to the

camp's twenty acre forest are part of the outdoor life program. Campfires or camp shows are held every evening to complete a busy and happy day.

Boys (ages 7-15) have the following encampments: A) June 27-July 3, B) July 4-July 10, C) July 11-July 17, D) July 18-July 24, E) July 25-Aug. 7; B & C may be combined.

Girls (ages 8-14) have two encampments: F) Aug. 8—Aug. 21, Aug. 22—Aug. 28.

The total fee is \$38.50 for one week and \$69.00 for two weeks. Parents are invited to write or call Camp Stella Maris, 50 Chestnut St. 14604. Telephone 454-2030.

GOD LOVE YOU!

By MOST REV. FULTON J. SHEEN

One does not often think of missionaries as being bankers, but they are. Their business, however, is never conducted for their own profit, but solely for the profit of so-called depositors. The sort of bank that a missionary runs is called a cooperative. As Our Lord fed the multitude before He preached to them, so today's missionary must "go, and do in like manner."

The following story from a missionary will illustrate how essential cooperatives are in the mission lands. "A man lived with his wife and five children in a one room bamboo hut with a thatched roof and dirt floor. He had been working for eight years in the jungle, cutting down giant trees to clear the land. But, having no money to buy rice, beans and corn, he had to borrow from a moneylender to whom he paid 10 per cent interest a week." (If he borrowed \$10 his interest was \$2 a year!) By the time his land was cleared the poor farmer found himself so heavily in debt that he could not plant, buy provisions for the rainy season or medicine for his sick children.

To remedy this common situation the missionary founded a cooperative among the farmers four years ago. They now pay only eight per cent interest a year! Instead of 10 per cent a week. And the 405 members of the cooperative receive over 200 per cent more for their harvest than they did from the "loan shark." The cooperative today is debt-free, has a three-ton truck and a purebred bull with which the members can improve their growing stock without charge. It also has amassed some capital which is used only for the benefit of the poor.

Cooperatives exist through all mission lands and they need so little to get started. Your aims, sent to The Society for the Propagation of the Faith, can help your brothers throughout the world to help themselves. Share your abundance during this season of giving, when you have been blessed with so much, give to those who have so very little.

GOD LOVE YOU to a "mission family" for \$5.50. "Enclosed is the result of months of saving by my four children. They send you this money for 'our poor for Christmas'... to a couple who know when and how to say 'thank you' for \$5.50. This represents money which we did not spend 'foolishly' while vacationing this year. It is our way of thanking God for being ABLE to take a vacation."

Think ahead to Valentine's day and order a GOD LOVE YOU medal today. In classic Florentine gold finish or pure sterling silver; this lovely cameo medal of the Madonna of the World is one you would be proud to give or delighted to receive. Designed by the world-renowned jeweler, Harry Winston, and blessed by Bishop Sheen, the GOD LOVE YOU medal may be obtained by sending your request and corresponding offering to The Society for the Propagation of the Faith, 368 Fifth Avenue, New York, N.Y. 10001.
