He spent the sumdiagrams, since it is so burdensome to produce accurate ones in quick enough succession in

Father Cushing, the chaplain of St. Agnes High School, became the official photographer, for "when asked advice on cameras and films, he offered to take the pictures. Father's skills and equipment have added greatly to our project." Father also did all the developing and framing, making it possible to view results almost immediately and thereby making it possible to correct or change anything necessary before "set-ups" were destroyed.

The Art Department also made its contribution. Sister Marcella made drawings and characters to enliven the program, and made available necessary materials such as poster er level studies in science at the board backgrounds and bulletin University of Northern Illinois. board letters and numbers.
