Mobile Maid AUTOMATIC DISHWASHER
Gone forever is the unpleasant, time-consuming task of doing the dishes. With a General Electric Mobile Maid dishwasher, you're free to join in more pleasant activities such as social gatherings, or an enjoyable evening with friends and family.
When the meal is completed, simply brush off loose scraps, load your dishes and start the cleaning action. There's no pre-rinsing or messy hand scraping.
You're assured of cleaner, more sanitary dishes, too. That's because of G-E's Thoro-Wash. Thoro-Wash begins with a highly effective downward spraying of wash water plus a strong spray of water shooting upward from the center. This, combined with the swirl-around arm at the bottom creates a counter-wash action. Dishes, silverware, glasses—even pots and pans come out sparkling clean each and every time.
