### Varsity, JV Cheerleaders From Auburn Take Honors

The Mount Carmel Varsity and J.V. Cheerleaders of Auburn coached by Mrs. Mary McGee, won first place in the New York State cheerleading contest held at the C.Y.O. Building, Rochester, on Saturday, April 10.

In 1963 and 1964 the Mount Carmel Varsity gained first place in the blue division (more than six cheerleaders) and the J.V.'s

also placed first in the pink division (more than six). This year's third consecutive victory marks an unprecedented event in the Tournament's seven year history.

The teams competed against 100 squads, composed of over 1,000 girls from Catholic and Public Schools in New York State. The judges, chosen from Physical Education teachers, assessed performance based on precision and content of cheers. Each team performed three cheers: team, fight, and victory.

Other schools that placed behind Mount Carmel in the blue division were: Rush Henrietta (second), West Irondequoit (third), Lake Shore (fourth) and Benjamin Franklin (fifth). In the pink division the teams were: West Irondequoit (second), Trumansburg and Selma

(tie for third), Pittsford (fourth) and Benjamin Franklin (fifth).

A banquet for the contestants followed the tournament with the presentations of awards by the Mayor of Rochester, Frank Lamb, Dan Morgan of Rochester radio and television was the toastmaster.

### Lenten Mission Effort At McQuaid Nears Goal

Just north of the quarter, in the middle of the Pacific Ocean, lie the Caroline and Marshall Islands, often described as the toughest mission in the world. Almost as large as the United States, this area of over 2,000,000 square miles of ocean is dotted with some 2,400 small islands only 100 of which are large enough to be inhabited. The combined land total of all these specks of land is only 600 square miles, about one half the size of Rhode Island.

Approximately 24,000 are Catholic. Since the islands are governed as a Trust Territory by the United States under a special mandate from the United Nations, most of the missionaries there are American.

By far the largest mission order in the islands is the Society of Jesus. Most Rev. Vincent Kennedy, the Bishop of the Caroline and Marshalls, is a Jesuit. He is aided in his work by 38 fellow Jesuits from Buffalo Province of the Society of Jesus.

Since McQuaid High School is staffed by Jesuits of the Buffalo Province, the student body has once again been asked to help raise money to support mission activity in the islands. The mission spirit has always been an important part of Lent at McQuaid and this year has been no exception.

With a goal of \$5.00 per student, Rev. Mr. Leonard Riformi, S.J., coordinator of the drive, explained that the school hoped to raise \$3,750 before Easter. This, he said, would be achieved in two ways: first through daily class contributions, and also by means of a mite box provided to each student for use at home.

## THE NORTH AMERICAN HOUSE

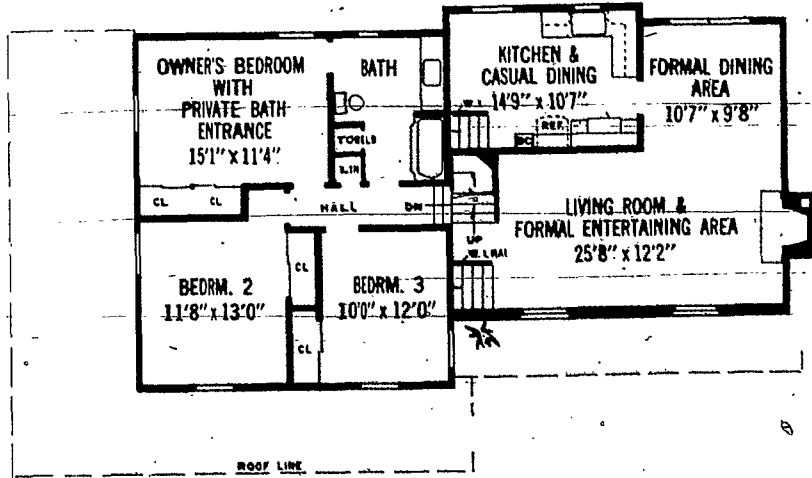

Now open daily, 1-9 p. m.

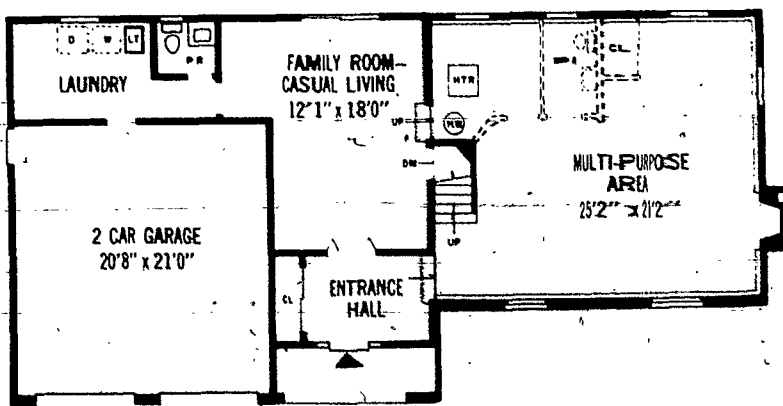

Why is it called "The North American House?" Because it owes its origin to the North American continent, and to the American way of life. In the United States and Canada, where it is not uncommon for three generations to live under the same roof, the North American House has proved a family favorite. For it is really three houses in one!

Here it is in a Rochester version as developed by Caldwell & Cook, in a structure and silhouette that reflect the living needs and desires of Rochester families. If you haven't seen this popular house, furnished and decorated for Caldwell & Cook by Sibley's... in fitting colors of red, white and blue, head for Heritage Farm this afternoon.
