COURIER-JOURNAL Friday, June 4, 1965

At last, a long-respected insurance company (Mutual Protective Insurance Company, specializing in health insurance for Catholics for over 35 years) has created a brand new bealth plan, especially for Catholics like yourself! It is called the-CATHOLIC HOSPITAL PLAN.

#### "Try" This Plan For Only \$1,00

To make it easy for you to "try" this new plan and see for yourself just how it can benefit yoss and your family, we now make you this no strings "introductory" offer:

As a Catholic, you can qualify for this new Plan during this limited enrollment period, and you can enroll yourself and all eligible members of your family for only \$1.00-without baving to see a company representative-and without any red sape wbaisoever! 🚽 🐢

And, after you receive your policy, if for any reason you decide you don't want it, you may return it within 10 days and your dollar will be promptly refunded!

#### The Gatholic Hospital Plan

\$5,000 MAXIMUM-INDIVIDUAL PLANE: \$100 a week-(\$14.28 a day) for you,

#### (Note: In a non-Catholic hospital, benefits are reduced by only 5%.)

If yours is a young, growing family, then we recommend the All-Family Plan. Your and your wife are covered for all new sicknesses and accidents (including maternity binefits, after your policy has been in effect for 10 months). And all your unmarried dependent children between 3 months of age and under 21 are included at no extra cost as long as they live at home. (This includes not only your present children but any children you may have in the months and years to come.)

Under the One-Parent Family Plane, all your present children are also included, but mot any furure additions to your family. There is, of course, no maternity benefit provided in the Onse-Parent Family Plan.

On all plans, your cash benefits are paid from the very first day you enter the hospital, for as longand for as many times-as you are hospitalized, right up to the maximum (Aggregane of Benefits) of the plan you select.

Important: Here is another real "plus"-if you have been cold that anyone in your family is "uninsurable"! Even if one of your covered family members has suffered from obronic ailments in the past, the kirads of conditions that come back again and again our are likely to recur, the Catholic Hospital Plans will cover these pre-existing conditions after your policy bas been continuously in force for two years? But whether or not you have hid a chronic ailment, the Catholic Hapital Plan will cover shy ac-cident immiddinely, the wiry and ber policy goes into effect - and for any new sickmess after your policy has been in effect for 30 days. There are only these minimum necessary exceptions: pregnancy or any consequence thereof (unless your have the All-Family Plan), war, military service, nervous or mental disease or disorder, suicide, alcoholism or drug addiction, confinement in a nursing home or in any state or federal government hospital or convalescent unit of a hospital, or if something happens "on the job" and is covered by Workmen's Compensation or Employers Liability Laws.

#### SPECIAL NOTE TO SENIOR CITIZENS

It's a fact that people over 65 are greater risks. They go to hospitals more often and have larger hospital bills than any other age group. That's exactly why senior citizens need more protection! And that's why some hospital plans won't accept them or charge rates beyond their means. But the Catholic Hospital Plan not only accepts you regardless of age, it gives you easy-to-carry protection that is within your means. If you are over 65 now, or when you become 65, the following modest monthly increase applies: Female on All-Family or Husband-Wife

Plans \$2.25 Female on One-Parent or Individual Plan 3.00 During this limited enrollment, you can get the extra cash protection needed during the bigbrisk senior years simply by filling out the Enrollment Form below without any other qualifica-

#### ARE YOUR PARENTS SENIOR CITIZENS?

Most senior citizens guard against becoming a "burden." But too often their insurance won't meet today's high hospital costs. A serious condition requiring hospitalization can mean the end of their reserves and loss of independence. To honor their independence and safeguard your own reserves, enroll your parents in the Catholic Hospital Plan during this limited enrollment. Have the parent to be enrolled com-plete and sign the Enrollment Form, but enter your address c/o your name. (Example: c/o John M. Jones, 120 Main Street, Anytown, U.S.A.) We will send the policy and premium notices to you. Just enclose \$1 for the first month's coverage.

Differs From Ordinary Health Insurance What is so unusual about the new Catholic Hospital Plan-and why should it especially interest you?

As a Catholic, it is to your advantage to go to a Casholic hospital, when sickness or scident strikes. In a Casholic hospital, you per only han abus physons ical needs afted for, but you have the comfort of having spiritual guidance always available. In addition, you will be sure of receiving the sort of medical treatment that is in strict accordance with the ethical and religious directives of the Church. (Of course, even if you enter a non-Catholic hospital, you will be covered under the Catholic Hospital Plan, but your cash benefits are actually greater if you go to a Catholic Hospital.)

You may agree that Catholics should be encouraged to go to Catholic hospitals, but you may already have some hospital insurance and you may be wondering-why do I need more?

Because no matter what other insurance you now carry, it simply won't cover everything!

Think for a moment-in these days of rising medical costs, would your present insurance cover all your hospital bills? All your surgical and inhospital doctor's bills? All the medicanes, drugs, supplies and the many other extras? Probably not. And even if all your medical and hospital bills were covered, what about all your other expensesthe bills that keep piling up at home-the tremendous and costly upset to your budget, your reserves and your family life?

If you, as busband, father and breadwinner are suddenly bospitalized, your income stops, your expenses go up. Even if you have some kind of "salary insurance" it probably won't come close to replacing your full-time pay. If your wife is suddenly bospitalized, who will look after the family, do the laundry, the marketing, the cleaning? You may have to take time off from your job-or hire fulltime domestic help-to take care of things at home. If one of your children is suddenly bospitalized, you will certainly spare no expense. If yos're a senior cilizen, with limited reserves, and are suddenly bospitalized, where will the "extra" money you need come from?

Without any extra cash protection in case of a hospital emergency, debts may be incurred, savings may be lost, peace of mind may be shattered-and even recovery can be seriously delayed.

How The Plan Protects You And Your Family Now, with the unique protection of the Catholic Hospital Plan, you can avoid these worries-because you can be assured of extra cash income when you or any covered member of your family goes to the hospital-to keep you out of debt, to keep your savings intact, to speed recovery by easing your worried mind! No matter how large your family, no matter what your age or occupation and without any other qualifications whatsoever, you can choose any of fow low-cost plans, specially tailored to suit your family's needs.

CHOOSE THE PLAN THAT SUITS YOU BEST-Only \$1.00 for your first month's coverage

STO,000 MAXIMUSI ALL FAMILY PLANI \$100 a week-(\$14.28 a day) extra cash income for you. \$75 weekly (\$18.71 daily) for your wife. \$50 weekly (\$7-14 daily) for each of your children.

\$7,500 MAXIMUM-ONE-PARENT FAMILY PLAN: \$100 weetly (114.28 dially) for you. \$50 weekly (\$7.14 daily) for each of your children.

\$7,500 MAXIMUM - HUSBAND-WIFE PLAN: \$100 reakly (\$14,28 daily) for you. \$75 weekly (\$18.71 daily) for your wife.

In addition to the important hospital benefits, you get all these valuable "extra" features:

#### Every Month More Money is "Deposited" To Your "Health-Bank Account"!

Here's a wonderful bonus feature you get, no matter which plan you choose-it's almost like having an extra "Bank Account"! When your policy is issued, .we immediately "deposit" into your "Health-Bank Account" the maximum amount of your policy -\$10,000.00, \$7,500.00 or \$5,000.00 (depending upon the Aggregate of Benefits of yosur plan). Then, every month your policy is in force, an amount equal to your regular monthly premium (including your first month) is actually added to your maximum! When you have claims, your benefits are simply "withdrawn" from your "account." It's just like putting money in and taking it out of a bank account.

#### Accidental Death Benefit-Paid To Your Parish

In the event of the death (within 90 days of an accident) of any person covered under the Catholic Hospital Plan, \$500 will be paid to the covered person's parish-unless, of course, you wish to mame another beneficiary-subject to the maximum (Aggregate of Benefits) of your policy.

#### Special Feature for Peace of Mind and Security

For as long as you live and continue to pay your premiums, we will never cancel or refuse to renew your policy for health reasons-and we guarantee that we will never cancel, modify or terminate your policy unless we decline renewal on all policies of this type in your entire state or until the maximum (Aggregate of Benefits) of your policy has been paid.

> Carry As Much Other Health Insurance As You Wish!

Yes, the Catholic Hospital Plan pays you in addition to any health insurance you carry, whether individual or group! Furthermore, all your benefits are tax-free!

#### Surprisingly Low-Cost

Membership-in-the Catholic Hospital Plan costs considerably less than you might expect. You pay only-\$1.00 for your first month's coverage (regardless of your plan), then only \$7.95 a month for the All-Family Plan; only \$5.95 a month for the One-Parent Family Plan; only \$5.75 for the Husband-Wife Plan; and the Individual Plan costs only \$3.25. (When you become 65-or if you are 65 or over now-special Senior Citizen mates apply. See how low they are in the box following.) And remember, regardless of age, size of family or the plan you select, you can now enroll for only \$1.00?
