Parishioners Paint Church

It took the people of Chartres in the middle ages 80 years to build their famous cathedral but it took the men of Annunciation parish, Rochester, only three days to paint their church and rectory. Art connoisseurs may point out there are differences—but the spirit behind the two projects was the same.

PATIENCE HELPS TO MAKE THE CHRISTIAN BROTHERS BURGUNDY A GREAT WINE.

This is Brother Timothy, Cellar-master of The Christian Brothers of California. He knows that a superlative wine cannot be hurried. To develop great character it must be matured slowly, first in wood and then in the bottle.

Here he examines the Burgundy for clarity and color. It is a full-bodied red wine, cared for in the patient tradition of The Christian Brothers.

For nearly a century now, The Christian Brothers have made wines in support of their educational missions on the West Coast.

Brother Timothy suggests that you select The Christian Brothers Burgundy to accompany your next red meat meal. As you enjoy it, you will know why it is that there are twenty-two great American wines. They are made by The Christian Brothers.
