> for ideological positions such as 'wars of national liberation,' or 'containment of communism by military force." The committee speaks of the military action by the Republic of Vietnam and the U.S. as primarily an effort to contain the communist ideology rather than as a defense against aggressors who are communists.

Child Survives, His Mother Didn't

South Vietnam - (RNS) - A frightened child - his slain mother by his side - pleads for help as he looks up at a U.S. marine in a bomb shelter of a South Vietnamese village. Survivors and the dead were removed from the shelter following a joint Marine-Vietnamese assault on the village to drive out Vietcong guerrillas.

Refugees Swell Few Free Areas In Vietnam

Saigon - (NC) - An estimated 600,000 refugees, many of them Catholics, have fled from the vast areas of South Vietnam controlled and terror. ized by the communist Viet

The refugees have no place to go, no one to receive them. little or no money. Aiding them is extremely difficult. Food is scarce and prohibitively expensive, and the communists are constantly disrupting provincial and district communications.

The South Vietnamese govern. ment has only limited means. But at least in some places it has set up primitive shelters. It is also supplying about five cents a day for each refugee. With the roads cut and bridges destroyed, however, few receive even this pittance.

In many districts the refugees are almost all Catholics, who are always special targets for the Viet Cong. Local bishops and priests are doing their best

ence is the organization doing most to help them. Under its director for Vietnam-Lawson Mooney of Boston-the American Catholic relief agency has transported thousands of tons of U.S. government surplus food to the refugees. The U.S. armed forces here have cooperated wholeheartedly in transporting and distributing the re-
