

Wishes of Laity Asked in Council

Mexico City — (NC) — A Mexican lay leader and Vatican Council auditor said many Catholics are convinced the Church must become more directly involved in the attempt to eliminate human misery, and in the quest for world peace.

Jose Alvarez Icaza, president of the Latin American secretariat of the Christian Family Movement, said these convictions were expressed in thousands of answers to a questionnaire distributed by CFM in 32 countries.

The inquiry asked Catholics to tell what a typical family expects from the deliberations of the Vatican Council.

"We also asked them what they desired in the Church," Alvarez said. "They want the Church to stay out of politics. And they seem to think that she could do with fewer signs of worldly pomp and luxury," he said.

"There is no denying that a great many of the laity are disturbed over the question of birth control," the Mexican leader said. He added that

Marine Killed In Viet Nam

Date of funeral services for Pfc. John B. Tette, U.S. Marine Corps, who was killed in action in Viet Nam on Wednesday, Aug. 18, 1965, will be announced when his body is returned to the United States. Pfc. Tette lived at 28 Dakota Street in Rochester in Holy Family parish.

The 19-year-old Marine had enlisted in the military service last October and had been sent to Viet Nam in June. He died during the largest assault yet made by American forces in Viet Nam, south of Chu Lai airfield.

Son of Mrs. Anna Mae Tette and the late Patrick Tette, Pfc. Tette is survived by his mother, four brothers, James Gerard, Thomas and Raymond and four sisters, Mary Ann, Therese, Mrs. Bernard Merkel and Mrs. Leo Bernard. Father Joseph Merkel of Elmira is his uncle.

Pfc. Tette was a graduate of Holy Family school and Aquinas Institute.

Festival for Burned Church 'Huge Success'

Geneva — "A huge success" was the joint opinion of Michael J. Simeone and Michael Cecore, co-chairmen of the annual summer festival of St. Francis de Sales parish on Aug. 14.

About 3,000 persons visited the festival which was conducted this year as a special benefit for the renovation of St. Francis de Sales Church which was badly damaged by fire earlier this year.

"Everything went smoothly," Mr. Simeone said. "In fact the festival was much bigger than we had anticipated."

Two Grades To Be Dropped

Auckland — (NC) — Caught in a financial and teacher recruitment squeeze, the Christchurch diocese will drop the first two grades in its parish schools during the coming school year. New Zealand's two largest dioceses of Auckland and Wellington, though pressed by swelling enrollments, are not considering such a move at the present time.

Venice — (RNS) — "There Came a Man," a semi-documentary film biography of the late Pope John XXIII, will have its world premiere at the 26th International Film Festival here Aug. 30.
