**WHAT A BALL!** When the kids from Loreto House, founded by Isabelle Dolan (center) were invited to the Motherhouse of the Sisters of St. Joseph for a day...

**Pop Music Banned**

Freiburg, Germany — (NC)— Archbishop Hermann Schaefele has forbidden the use of folk songs, jazz and popular music in the churches of his Freiburg archdiocese, arguing that they are unliturgical. A directive issued by the chancery stated that Gregorian chant and Latin hymns should be preserved in church services.

**Big Day at Motherhouse!**

As an end-of-the-summer treat for everyone involved, the novices of the Sisters of St. Joseph of Rochester recently invited all of the youngsters between the ages of six and thirteen from Loreto House in downtown Rochester to an all-day picnic at the Motherhouse.

Fifty-seven boys and girls arrived by bus at ten o'clock in the morning and promptly were taken over by (or took over!) the seventy young Sisters. Some went to visit the farm, others collected apples from the orchard, and the boys climbed every climbable tree on the grounds. Others discovered and put into action the roller skates, bikes, badminton sets and balls,

and impromptu baseball games and hootenannies sprang up everywhere. Hundreds of peanut-butter-and-jelly sandwiches and cookies, and vats of grape juice gave everyone renewed energy for more of the same activities in the afternoon. No "organized play" had been arranged, for the idea had been just to let the boys and girls enjoy the spacious grounds as they wished.

At four o'clock, the bus came for the trip home, and everyone was sorry the day was over—even though the Sisters had discovered that their energy did not quite match that of the indefatigable youngsters.

Summarizing the experience later, one of the children said to Miss Isabelle Dolan, Loreto House director: "All of us kids have been talking about it and we want all our picnics to be there from now on—no place else! O.K.?"

The novices, greatly impressed with the spontaneity and the enthusiasm of the children, commented that they never before so realized the value of all of the things that they had just been taking for granted. They commented, too, on the complete and joyful dedication of "Miss Isabelle" in her life at Loreto House.

... They roller skated like crazy ...

... They climbed the trees ...

... thoroughly enjoyed the picnic lunch ...

... They exchanged confidences ...

... and laughed so hard they got silly!

**'Grape Festival Day'**

Naples—A spaghetti dinner and homemade pies from 4 to 6 p.m. will feature Naples Grape Festival Day Sept. 25. Father Bernard Kuchman is honorary chairman of the day's program for the benefit of our new church.

Chairmen, Mrs. William Vierhille and Mrs. Donald Warren, assisted by many of the parish-

ioners have arranged, besides the meal, a country store selling souvenirs, and other interesting items.

Fresh grape juice will be on tap, all day. "We invite all our friends to share this good time with us as we watch the progress of our new edifice well under way," Father Kuchman said.

**COLOR TV**

**MORE PROGRAMS**

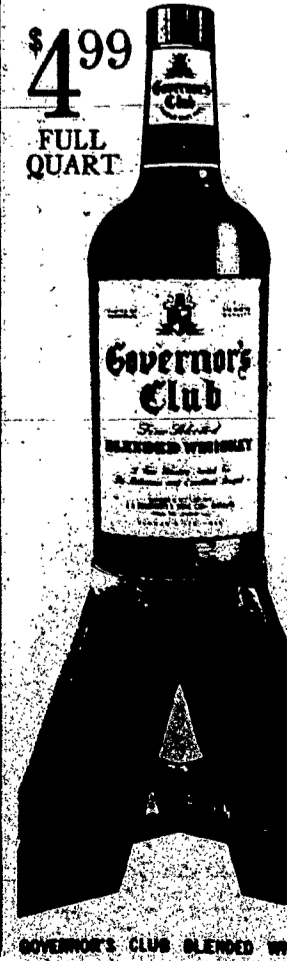

**LOWER PRICES**

**DEPENDABLE SETS**

What's kept you from putting a color TV set in your home? The cost? Dependability of the set? Lack of color programs? Now you can forget all those reasons. The cost for color sets is lower than ever. Some manufacturers have a set priced below \$300. They're dependable, too. Just as dependable as black and white. After your set has been installed and adjusted, you can sit back and enjoy sharp, clear pictures with vivid true-to-life colors. Simplified controls make it easy to "tune in" your favorite color show without trouble.

And there's quite a line-up of color shows scheduled—more than 100 shows will be telecast in color every week in the Rochester area. And there are more to come later in the year. There'll be sport shows, dramas, musicals, variety programs, movies, quiz and panel shows, cartoons, westerns, adventure and spy stories, and a number of specials shown in color something for everyone. Why not visit your appliance dealer's showroom and see a demonstration. Do it soon, it's expected there will be a shortage of color sets in the next few months.
