Shrine Sanctuary To Be Completed
Washington — (NC) — Work has begun to complete the east apse, west apse and sanctuary dome of the National Shrine of the Immaculate Conception here. When completed, the entire sanctuary area will be finished in every detail.

The work is very extensive, including marble finish for the towering walls, completion of five apsidal chapels dedicated to the joyful mysteries of the Rosary and five other apsidal chapels dedicated to the sorrowful mysteries, and the installation of three mosaics, each feet in expanse. The mosaic measuring nearly 4,000 square feet and six stained glass windows.

The east apse is the gift of the Franciscan priests, brothers, nuns and tertiaries of the United States. The west apse is the gift of the Jesuits of the U.S. The sanctuary dome is being given by the episcopal committee for the chapel of Our Lady of Czesochowa.

In the east apse, a 3,500 square foot mosaic will present a 32-foot figure of St. Joseph as the Defender of the Church and a scene from Vatican Council II commemorating the inclusion of St. Joseph in the Canon of the Mass by Pope John XXIII.

Beneath the mosaic will be six life-size statues of St. Joseph Cupertino, St. Anthony, St. Francis, St. Clare, St. Bonaventure and St. Lawrence Brindisi—all Franciscans. The east apse will contain altars dedicated to the five sorrowful mysteries.

In the west apse, another 3,500 square foot mosaic will present a 32-foot figure of Mary Immaculate, the woman clothed in the sun repelling the dragon.
