GOD LOVE YOU Most Reverend Fulton J. Sheen

What is the spirit of poverty? For us in the United States, poverty is economic. We make it seem that only the rich can have the spirit of poverty.

But this is not really the spirit of poverty. Take the parable of the Prodigal Son. He became economically poor when he lost his money and sunk so low that he became a feeder of swine.

What then is the spirit of poverty? It has nothing to do with money. It starts with this proposition—God is our riches. He who leaves God becomes poor.

Who are the poor in spirit? They are they who make themselves utterly available to God and neighbor. They are in His Hands like disposable Kleenex.

There are two ways to become poor of spirit. The first is to make a Will, leaving everything to the Holy Father who will give all of it to the poor of the world.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 366 Fifth Avenue, New York, N.Y. 10001, or to your Diocesan Director, Rev. John F. Duffy, 50 Chestnut Street, Rochester, New York 14604.
