INDIA: NO EASY STREET
THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

"Food packages are necessary, but they are not enough. To do permanent good in India we must teach children honesty, cleanliness, initiative. We must give them a sense of dignity, and equip them now to support their own children fifteen years from now." ... These words came to New York this week from native Sister Kochuthresia, the convent Superior in Kot-tara-kara, south India. Despite everyday hunger (famine is ravaging India), our Sisters are investing long-term in children. ... The Daughters of Mary (the community to which Sister belongs) care for the sick, and teach children, irrespective of caste or creed. If the Sisters can build a large convent (with chapel attached) in Kot-tara-kara, they can expand their work in 25 nearby villages. ... Help them? The convent for 15 Sisters will cost only \$4,700; the chapel, fully equipped, will cost a mere \$1,875 more. ... Name the convent (or the chapel) for your favorite saint, in memory of your loved ones. If you build it all by yourself. Send as much as you can at least right now (\$100, \$75, \$50, \$25, \$20, \$10, \$5, \$2). You'll enable thousands of poor children to take care of themselves tomorrow; and you'll share forever in the Sisters' grateful prayers.

WHAT'S A SISTER WORTH? She works without salary 18 hours a day, caring for others because she was chosen by Christ. Her services for a lifetime no one else can buy! ... Help a penniless girl become a Sister? Her two-year training costs only \$12.50 a month, \$150 a year, \$300 all told, payable at your convenience. She will write to you, pray for you, and you may write to her. We'll send you her name on receipt of your first gift.

MEDICINE IN SISTER'S HANDS The world has 15-million teppers. Only one in five gets medical care. ... Still, for only \$8.50 our missionaries can buy 10,000 "miracle" Dapsone tablets (enough for 43 lepers for one year). ... Please do all you can to help.

A GOOD WILL Have you made a will? Stringless bequests to the Catholic Near East Welfare Association (our legal title) will be used for the poor by the Holy Father where needed most.

What You Should Know About Rhythm
Why does rhythm work for some women and not for others? Are there any new techniques that render it more effective? Just how reliable is it?
Send today for your free copy of an eight page booklet about RHYTHM, published by Weston Laboratories, the originator of the Fertility Test. This booklet contains the most up-to-date and factual information about this method of child spacing. It reviews the calendar and basal temperature methods of determining the time of ovulation and fully describes the valuable new Fertility Test that greatly increases the reliability of RHYTHM.
