Pope's Retreat In Early Lent

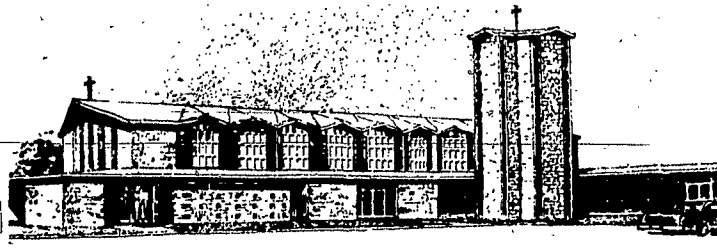

Vatican City—(RNS)—Pope Paul VI will make a Lenten retreat that will begin on Feb. 27, the first Sunday of Lent, and continue until the following Saturday, March 5.

Joining the pontiff in the spiritual retreat will be the cardinals and clergy of the Roman Curia. It will be conducted

Famed Shrine To be Rebuilt

Jerusalem—(RNS)—The Jordan government is expected to request bids soon for the renovation of the Basilica of the Holy Sepulcher, located in the Arab-held Old City and revered by Christians as the site of Christ's Tomb.

With overall control in the hands of Jordan's government, the shrine is maintained by Roman Catholics—represented by the Franciscan Friars of the Custody of the Holy Land—and Greek Orthodox and Gregorian Armenian, as well as by the Coptic and Syrian Orthodox. Unanimous consent of the first three communities is required for any changes affecting the basilica.

Dedication of New Church

Bishop Kearney will dedicate the new Our Lady of Lourdes Church, Brighton, today, Friday, Feb. 11, at 5:30 p.m. Today is the feast of Our Lady of Lourdes, commemorating a series of apparitions of the Blessed Virgin Mary to St. Bernadette Soubirous in southwestern France in 1858.

For Lepers

Rome—(RNS)—One hundred engaged couples were collected by Franciscan missionaries of the Roman Province during the World Day for Leprosy Sufferers, Vatican Radio reported. It said large sums also had been received to provide relief, recreation and research facilities for leprosy victims. The station said the ring collection was undertaken because leprosy couples are too poor to buy wedding bands.

Music Sessions At Nazareth

The second of two programs devoted to contemporary music will be presented at Nazareth College, Feb. 17 at 7:30 p.m. The performance is open to the public.

Nazareth music students under the direction of piano faculty member M. Robert-Hobstetter will participate in the lecture-demonstration session. The purpose of the session is to show the contribution of contemporary composers to present society.

Among the composers to be discussed will be Poulenc, Ravel, Milhaud, Villa Lobos and Hovhannes.

Four lectures on music in the medieval and Renaissance period will be presented at Nazareth on Feb. 21, 28 and March 14, 21 at 3:30 p.m. Members of the college's Music Club will attend.

Dr. Dorothy Packer of the Nazareth faculty will direct the lecture-demonstration series. She will be assisted by members of the college's newly formed Mu Phi Sorority, a professional as well as honorary society for musicians.

Religious and secular music will be discussed during the sessions.

Laymen Endorse N.Y. Divorce Law

New York—(RNS)—Asserting that New York's present divorce law "damages family life," 18 Roman Catholic laymen and women prominent in the metropolitan area have urged the Legislature to approve "significant revisions" in the 177-year-old statute.

They asked the legislators to give their "most earnest consideration" to the divorce reforms proposed by the Joint Legislative Committee on Marital and Family Laws which would add four new grounds to the present sole ground of adultery.
