

Two Mercy Nuns Assigned to Chile

From among the volunteers for the Latin American Mission of the Sisters of Mercy, two Sisters have been selected to join the ranks of the four who are now missionaries in Santiago, Chile.

Mother Mary Bride has announced that Sister Mary Janet Caulfield and Sister James Mary Kenrick would be assigned to San Andres Parish.

After an intensive program of preparation at the Intercontinental Formation Center in Cuernavaca, Mexico, the Sisters will work as a team with Father Hugh McGoagle, a Columbian Father, and will share with him in the catechetical and social work activities of his parish.

Sister Mary Janet, daughter of the late Mr. and Mrs. John Caulfield of St. Monica's Parish, will bring to her apostolate 15 years of experience in the elementary schools of St. Louis, Pittsburg, St. Vincent de Paul, Corning and St. Mary, Bath.

Having made religious profession in 1950, Sister received an A.A.S. degree from Catherine McAuley College and is now studying Spanish at the Bath Extension of Corning Community College.

Sister Mary Janet is a sister to Sister Mary Benedict, R.S.M., Community Supervisor of Music, and Sister Mary Scholastica, R.S.M., Administrator of St. James Mercy Hospital, Hornell.

Sister James Mary is the daughter of Mrs. James M. Kenrick of 313 W. Buffalo St., Ithaca. A member of Immaculate Conception Parish, Sister attended Ithaca High School, made her religious profession in 1960 and received an A.A.S. degree from Catherine McAuley College in 1962.

Sister has spent five years in teaching the children of Good Shepherd and St. John the Evangelist Schools. Her sister, Sister Mary Karen, R.S.M., is principal of Our Lady Queen of Peace School, Rochester.

The missionaries-to-be will spend the coming summer in language study at McAuley College and will begin the 17-week course in language, anthropology, sociology, and missiology at Cuernavaca in August.

The four Chilean missionaries assigned last year, Sister Mary Terrance, Sister Mary Canisius, Sister Mary dePorres and Sister Mary Joan reached the parish of San Luis on last Christmas Eve.

They moved into their own convent on January 28, and promise news to all of their friends as things develop in their mission "among Christ's very poor."

A bundle of joy?

Well... normally he is. But right now he's uncomfortable because his clothing is stiff and scratchy and it irritates his tender skin. Someone should tell his mother about automatic clothes dryers. With a dryer all baby's clothing—and especially diapers—is dried softer, fluffier. And diapers have extra absorbency that helps prevent diaper rash. A baby in the house really makes a dryer a necessity. But even without a baby there are many reasons why you should have an automatic clothes dryer in your home.

When you consider the time you spend and the work you do lifting and lugging, stooping and stretching, just to hang out the wash, think how convenient it would be to have a dryer next to your washer. You simply shift your heavy, wet wash to the dryer and your work's done. But probably the biggest advantage of owning a dryer is that you can "do the wash" any time convenient to you—any day, night—no matter what the weather. Stop in and see your Appliance Dealer. He has a model dryer to fit your budget.
