Methodists Give OK to Dialog

Philadelphia — (RNS) Endorsement of Catholic-Methodist talks were endorsed by the Commission on Ecumenical Affairs of The Methodist Church at its meeting here.

Initiative for the talks was understood to have come from the Catholic Bishop's Commission on Ecumenical Affairs in the form of an invitation to the Methodist Council of Bishops. Action of the Methodist Ecumenical commission is only advisory. A denominational spokesman said the Council of Bishops is expected to act on the matter at a forthcoming meeting.

Theological dialogue has already begun between Catholics and Lutherans, Episcopalians, Presbyterians and Eastern Orthodox.
