## The Houses In Action

RECREATION? Yes, but so much more!

Hopefully the pictures on these two pages will convey to the reader the many and varied programs that go on day after day in the two settlement houses that are agencies of Catholic Charities.

3244 people used the Genesee and the Charles Houses last year for an overall total attendance of 136,617.

Health Clinics for well children and their mothers operated by the Monroe County Health Department.

Community Organization work in both areas of the city. The staffs are reached out to the residents and the business men involving them to see what they can do to preserve the neighborhood.

EDUCATIONAL services include supervised study hall — quiet and conducive places in which to study and the availability of qualified teachers to help the children with their lessons; and a tutoring program in which teachers voluntarily give their time to help, in difficulty, those who are having trouble with their school work, especially those who are suffering from a cultural lag.

RESEARCH projects to understand more about behavior and cultural values so that ultimately more and more can be done for the people who live in the area.

### WHAT ELSE?

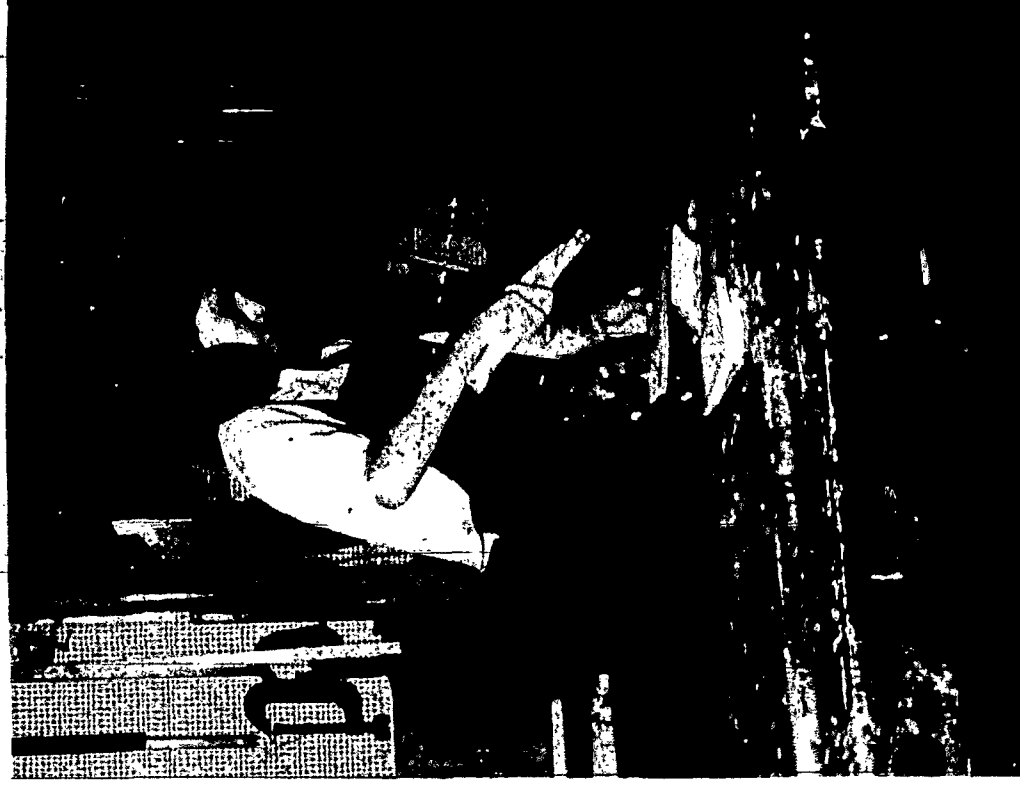

Tenage groups, Interest Clubs, Athletic programs, Dancing classes, Counseling services to children and parents, Red Blood Bank, X-ray services from Iola Sanitarium, Summer Day Camps, Craft, Cooking, Gym, Games, Pottery.

## A Remembrance In Your Will

The agencies of the Catholic Charities increase their services each year. Consequently they will continue to grow to serve more people.

You can take a vital part in this wonderful mission by remembering them in your Last Will and Testament.
