

IS THERE A LIMIT TO THE WONDERS YOUR GIFT WILL WORK?

Yes, 625,000...one for each person in Monroe County.

How-come?

Gifts to the Chest-Red Cross campaign ease the loneliness of old people, guard defenseless children, help families solve their problems. Your gift helps youth grow up in ways that promise a better world for tomorrow. It helps the handicapped, the blind, the retarded to care for themselves.

Last year more than half of us were served directly by at least one Red Feather agency or the Red Cross.

How about the rest of us?

We, too, are helped by the help we give to our neighbors. It is good to know that their needs are being met, good to be living in a County that cares. And it is good to know that Chest-supported services are ready if we need them.

As the County grows, so does the need for wonder-working. If you work in Rochester, you'll be called on at the plant or office. Otherwise—when a volunteer comes to your door, give through your town committee. Your gift helps 625,000 Monroe County people. One of them is you.
