SAINT ANTHONY IN THE SLUMS

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

LOW-PRICED, SIMPLE, LOVELY CHURCH

When Hindus and Moslems come to Cheepunkal to harvest rice they visit a shed and light candles to St. Anthony. "It's our first contact with these non-Christians," says zealous Father Jacob. "St. Anthony is helping them find God."

A teeming slum at harvest time, this village in south India's marshlands lives in isolation the rest of the year. "A low-priced, simple, lovely church will enable my 982 Catholics, the children, especially, to keep the Faith," Father Jacob says confidently. "And God, through St. Anthony, will make a lasting impact on Hindus and Moslems, too!"

Is this the church you want to build in memory of your loved ones? It will cost only \$3,450, since Father Jacob and the parishioners will do all the work themselves. Why do they need help from you? The average family's income is less than 25¢ a day! We'll send all gifts (\$500, \$350, \$100, \$75, \$50, \$25, \$10, \$5, \$2) to Father Jacob promptly, your thanksgiving to St. Anthony.

THEY LIVE ON BOILED RICE

In India this week 480 million people—one-seventh of the human race—face hunger, a result of the failure of the southwest monsoon last summer. Only help from outside can save people from starvation. . . . For \$10 you can feed a large family in the Holy Father's name. \$50 will feed five families, \$100 ten families. End April with this small sacrifice? God bless you!

INVEST IN A NEW NUN?

Sister Mary Susanna of the Clarist Sisters in south India will pray for you always in thanks for your help. She needs \$12.50 a month (\$150 a year, \$300 altogether) to finish her training for the poor. She'll write to you, and you may write to her.

ONE LAST THING

After death your savings don't belong to you. Share them now to make the world a happier place, or mention the Catholic Near East Welfare Association (our legal title) in your will. Stringless bequests are used by the Holy Father where needed most.

GOD LOVE YOU

Most Reverend
Fulton J. Sheen

God works in strange ways. Sometimes He will go so far as a safari to trap big game. Last week, we heard of a New York dentist who left for a hunting spree in Africa and wound up being caught himself! When torrential rains prevented shooting, the doctor set out in a jeep for a mission hospital that someone at home had told him about. It only took a three hour stay with the sisters to have him make an unexpected decision. After the safari he borrowed equipment from a local dentist and went back to spend two weeks practicing in the mission dispensary.

This was just the beginning. The following year he returned with half a shipload of supplies for the hospital. After purchasing a heavy-duty jungle jeep, he and a sister-doctor went out to the bush clinics, where his painless extractions with a local anesthetic won great respect for the white man's medicine. For the past eight years, this doctor has left a thriving practice in the United States to spend four months annually in the Medical Missionary of Mary hospitals in Tanganyika, Uganda and Nigeria. He has outfitted dental units and trained local sister-doctors and nurses to carry on his skills. Because of him, the way to many native souls may be through a tooth!

A nice story you say, but it hardly involves me; the closest I'll come to a safari is the local zoo. True—and false! You cannot spend time practicing dentistry among poor natives. You can, right here at home, within your own limitations, do just as much for the Holy Father's missions. To equal the four months of the year that this doctor donates to the Missions, we ask each of you readers to send us, along with this column, the equivalent of four weeks' salary or allowances. This will enable countless missions like his to continue their work of healing bodies and winning souls. You will become an integral part of the Holy Father's safari for souls. We'll be hunting for your charity!

GOD LOVE YOU TO B.R. for \$2. "Thank you for reminding me of my duty as a Catholic. I have often turned my back on Christ but whenever I turn to Him, He always comforts me. I find it easy to ask Him favors, but not so easy to do the simplest thing in return. I promise in the future to quit thinking about doing and, instead, do." — to A.V.C. for \$50. . . . for your Missions. Hope to duplicate this soon. This comes to thank God for what He gives to me when so many are hungry, cold and sick—as you tell us in MISSION 'how lucky we are!'"

In Bishop Sheen's latest book, WALK WITH GOD, we are invited to take time out to think of the many roads open to us in life. It offers a provocative commentary for living in today's world, covering such subjects as Letting off Steam, Love's Promises, Youth, Parents and Children, Loneliness, Power, Sympathy. Available in paperback for \$7.75 by writing to the Order Department, The Society for the Propagation of the Faith, 366 Fifth Avenue, New York, N.Y. This is an excellent gift for Catholics and non-Catholics alike.

Cut out this column, pin your sacrifice to it and mail it to Most Rev. Fulton J. Sheen, National Director of The Society for the Propagation of the Faith, 366 Fifth Avenue, New York, N.Y. 10001, or your Diocesan Director, Rev. John F. Duffy, 50 Chestnut Street, Rochester, New York 14604.
