## Bishop K

77th Year

**Jul**  
By FATHER R. MCNAMARA of St. Bernard's  
On December 7, before the close Council II, Pope announced there would be a wide papal jubilee up. The jubilee begins in the Diocese on Pentecost 29.

The proclamation jubilee was nothing new. It has been done for centuries. But Pope Paul set a precedent. He claimed the 1968 jubilee as an entirely new matter, fully in keeping with Vatican II.

Hitherto, papal jubilees usually emphasized the jubilee of 1863 lay in Rome.

Hitherto, papal jubilees usually invited the Pope. The 1968 jubilee is entirely new. The pope has invited the bishops. "Come make a pilgrimage to St. Peter's in the Vatican. This time the Pope is a pilgrim to your diocese."

AND HOW does the Pope do it with the mood of Vatican II? The particular.

In the first place, the Pope underlined the significance of each local bishop, the Holy Father, the bishop of the universal church, has in his own person a pilgrimage to your diocese.

Remember what the Pope said in his Decree on Pastoral Office? "A diocese is entrusted to a bishop, shepherded by him in the operation of the Holy Spirit gathered together around the Holy Spirit and the Gospel and the Epistle which constitute the church in which the Catholic and apostolic faith is truly operative" (#11).

In the second place, the jubilee approach to the cathedral church is the image of the body of the faithful.
