

### Essay Commended

Judith Cudillo, Nazareth Academy senior, received a Special Honorable Mention and a

letter of commendation from the attorney general of New York State for her essay on the question: Should Divorce Laws in New York State Be Changed.

Competing for the "Attorney General for a Day" award, Judith expressed the view that many injustices existed through dishonest manipulation of the then prevailing New York State law. However, she argued that divorce laws should not make divorce easier to obtain. Her revision suggestions would broaden the grounds for divorce to insure justice to all.

## The RYAN HOMES Tradition

"GIVE THE CUSTOMER MORE FOR HIS MONEY!"

In a time when living costs rise, the price of Ryan homes are consistently lower than other homes of comparable space. The reason is the solid value that has become a Ryan tradition.

After almost a half century of building homes, with sales in excess of 6,000 homes in the last three years, Ryan knows how to hold the line on prices. A Ryan customer enjoys an average \$1500 in extra features and price reduction through this volume buying program.

When you step inside a Ryan home, you'll notice how each area is planned for smooth traffic flow. And you'll see extra features such as automatic appliances, bathroom luxuries, and many, many more. Plan to inspect a Ryan home in one of the listed locations today.

# How can this great imported Canadian cost no more than leading domestic whiskies?

Easy! It's imported in bulk to save you about \$1.00 a bottle in tax and shipping. It's bottled here, but the whisky (like the taste) is all Canadian.
