

Reading is Fun in Her Class!

WORD GAMES help in Sister Serafine's upgrade reading class held at Corpus Christi this summer. In this game, the student identifies the object (fish) and tells whether it's a long or short vowel. Sister Serafine, SSJ taught two sessions daily for the past month.

CONSONANT COMBINATION is indicated by boy at right, while youngster with Sister Serafine points to a word that uses it. With small classes, the students were able to improve their reading greatly in the four week program, just ended.
