GERARD W. FRANK

## At Moscow, Science Meet

Gerald W. Frank, graduate of Aquinas Institute, has recently returned from the Soviet Union, where he attended the seventh congress of the International Union of Crystallography in Moscow. Frank, who earned his bachelor's degree from Le-Moyne College, is presently working toward his Ph.D. in Biophysics from the University of Rochester. He is engaged in biophysics research at the Center for Crystallographic Research in Buffalo.

The congress included three thousand scientists from almost thirty countries. The International Union of Crystallography embraces the study of crystals from the point of view of physics, chemistry, and biology.

Frank is the son of Mr. and Mrs. William J. Frank of Seneca Parkway, and he has com-pleted three years of graduate study at the University of Rochester.
