ELECT RAY MARGRETT MONROE COUNTY LEGISLATURE 28 DISTRICT DEMOCRAT - LIBERAL

THE BLAINE AMENDMENT

Rocky less honest than candid has said:

"I have appointed a committee to study the state's role in education and the role of private and independent schools and perhaps after I have the committee's findings, I'll take a position"

Roosevelt, inept as usual, stated;

"KEEP the BLAINE AMENDMENT"

FRANK O'CONNOR BELIEVES ...

"THE FUTURE OF OUR STATE WILL BE BETTER SERVED IF WE REPEAL SECTION 3" (The BLAINE AMENDMENT)

Now as in the past, Mr. Rockefeller is hardly being candid in his views or honest with the people of this state when he knowingly signs into law a bill (the textbook law) which is unconstitutional and then refuses to take a stand on the amendment which makes it so.

We deplore the Governor's attempt to have the best of both worlds by clouding this vital issue.

It serves well to demonstrate the lack of integrity which has characterized his action in too many areas.

Frank O'Connor stands resolutely for repeal of the Blaine Amendment and for assistance to children who select to exercise their right recognized by the federal constitution to attend parochial school.

We challenge the Governor to abandon his pretense and, with equal candor, once let the people of New York know where he stands on this vital issue.

We know where we stand, Elect Frank O'Connor, Governor of New York State.
