

Pope Honors Unity Talks

Malines — (RNS) — Pope Paul, in a special message here, hailed the pioneer effort toward Christian unity made at the series of conferences known as the Malines Conversations held here in the 1920's by Roman Catholics and Anglicans.

His message was addressed to Leo-Joseph Cardinal Suenens, Archbishop of Malines-Brussels, on the occasion of the 40th anniversary of the final session of the Malines talks begun in 1921. It was read at a special ecumenical prayer meeting in the Malines Cathedral at which participants included represen-

atives of the Church of England.

In his message, written in French, the Pope said, "We are happy to know that on the occasion of the 40th anniversary of the Malines Conversations, there will be a commemoration of the courageous attempt of those pioneers who sought the ways of the Lord to bring the Catholic and Anglican Churches closer together. Those pioneers were your eminent predecessors, Desire Cardinal Mercier and Viscount Halifax."

Cardinal Mercier was the chairman of the conferences at Malines and Lord Halifax was the principal Anglican participant.

The conferences were private and quite unofficial, but they were held with the approval of the Holy See and the then Anglican Primate. After the death of Cardinal Mercier in 1926 a report was drawn up and pub-

lished under Anglican auspices and the conversations were not resumed.

Pope Paul said the conferences "marked a stage in the progress toward that perfect unity of all who believe in Christ."

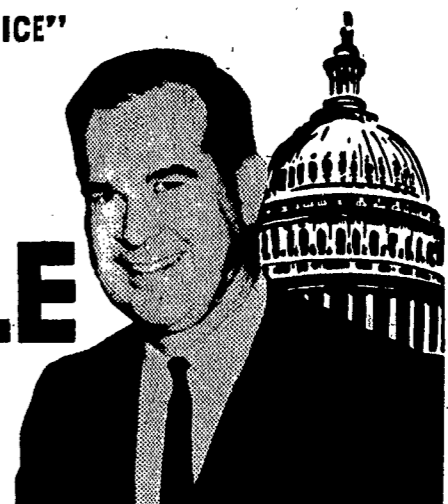

Those joining Cardinal Suenens at the ecumenical service included Dr. Sherard Faulkner Allison, Anglican Bishop of Winchester, England who represented Dr. Arthur Michael Ramsey, Archbishop of Canterbury.

In midafternoon a motorcycle left Cardinal Suenens's residence for the cathedral where a commemorative plaque — the gift of the Anglican Church — was solemnly blessed before the ecumenical prayer meeting. Later another commemorative function was staged in the Great Hall of the Malines Seminary. There, a series of addresses were given on the history of the Malines Conversations by a panel of speakers including a professor of Louvain University, Catholic Bishop Emile-Joseph De Smedt of Bruges, and an Anglican historian. The concluding speakers were Cardinal Suenens and Bishop Allison.
