SISTER THECLA'S CRISIS

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

For ten years in Wadachanchery, south India, Sister Thecla has worn herself out teaching boys and girls. She has taught them the catechism, cleanliness, good conduct, and how to earn a living. Now her good work threatens to collapse. . . . And this is the reason she turns to you. . . . Four years ago, with the help of Sisters like her, Sister Thecla began with her own hands to build a five-room school. The Sisters lugged stones joyfully, faith in their hearts, confident they'd be able to give a better education to more and more poor children. Then the money gave out, the good work stopped, and the half-finished walls stand now like a mockery. . . . For only \$1,575 the useless building can still be saved. If Sister Thecla gets your help right now. Your gifts in any amount (\$500, \$100, \$75, \$25, \$10, \$5, \$2), spent wisely can give poor children better lives for years and years to come. You may name the school for your favorite saint, in your loved one's memory, if you become the Founder of this school (\$1,575). . . . Please do what you can to help Sister Thecla help poor youngsters help themselves. Mail your gift today.

Browncroft Nursery School Now Open

The newest and most modern day nursery has opened in the former Atlantic Recreation Center at 933 Atlantic Ave. The building was converted at a cost of \$50,000. Completely air conditioned the nursery affords 3 acres of supervised play area for 3-year-olds to kindergarten age.

Browncroft Nursery School is open from 7:30 a.m. to 5:30 p.m. with actual school program from 9 a.m. to 3 p.m.

Daniel J. Hoffman, a graduate of Aquinas Institute and St. John Fisher College, is director and owner of the day nursery. Parents are invited to inspect the facilities anytime during the school day.

Hoffman feels that the location near expressways and so many local industries makes it ideal for working parents. "The bright rooms and wall to wall carpeting throughout the school lend a comfortable home-like atmosphere for the youngsters to develop and grow."
