MUCH-NEEDED LIGHT

WE KNOW that there is much public misunderstanding of funeral service. We also know surrounding the practice of that vehement denunciation of our critics adds nothing to enlightenment. Rather than curse the darkness, we prefer to light a candle.

All we ask is an opportunity to explain the manner in which our service operates, preferably in an aura of calmness when no need exists. You are welcome to communicate with us at any time, without incurring any obligation and ALL questions will be answered without reservation.
