

YOUR ONE GIFT

Where does a distressed child turn for love and guidance? Who fills the void of physical or emotional despair? Through your contributions to the United Campaign—you do!

WORKS MANY

And the elderly need you! They require constant, understanding care—the need to share the happiness of living. To sing—laugh and feel young. They thrive on the fulfillment of being wanted.

WONDERS

The Genesee Settlement House is a comforting neighborhood center. It provides counseling to adults—recreational programs—and student activities for thousands of residents in the busy Public Market area.

With your one gift—you can give to all! And wonders can begin to happen. A deaf child hears—an unwanted baby is adopted—relieved of despair, an aged person smiles. Your 1 generous gift to the Red Feather-Red Cross campaign supports 62 local health, welfare and character building agencies which, this year, must serve 215,000 Monroe County residents and additionally support 29 state and national agencies plus the Red Cross. This is a big need. A responsibility all of us must share. When you are asked—give big!
