Fisher Hosts NEA Meeting

St. John Fisher College was among 100 selected sites in the United States where students, educators, and laymen assembled on Saturday (April 29) as part of the National Education Association's salute to schools using effective auxiliary personnel and other educational innovations.

More than 200,000 professional educators and others attended the individual assemblies, which were held in 47 states, the District of Columbia, and Japan to hear talks on other schools and their successful use of teacher and technological aids, librarians, counselors, student teachers, and other paid or voluntary auxiliary personnel.

The assemblies were part of the Year of the Non-Conference sponsored by the National Commission on Teacher Education and Professional Standards of the NEA. Saturday's program in all of the 100 participating cities began with a taped address by U.S. Education Commissioner Harold Howe II.

SISTERS, MUSLIMS, AND TAXI DRIVERS

THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

WISH YOU LIVED NEAR TO MIX CEMENT?

In Nablus, the Holy Land, our 13 Sisters of St. Joseph have been asked to teach English to the taxi drivers who care for American pilgrims. "It reflects the esteem the Sisters enjoy in this Muslim town," Carol Hunnybun reports. "Two-thirds of the children in the Sisters' school are Muslim, not to mention most of the 70,000 people the Sisters treated last year in their ear-nose-and-throat dispensary." You do live near enough to help. Simply walk to your corner mailbox and send something (\$100, \$75, \$50, \$25, \$10, \$5, \$2) to help complete the chapel ("simple, functional, devotional") the Sisters are building evenings with their own hands. (Look for it if you visit the Holy Land.) To finish this desperately-needed chapel, they need \$3,800 for materials and furnishings. Give them in memory of your loved ones? A plaque at the entrance will ask the boys and girls (and non-Christians, too) to pray for you and yours forever.

GAZA: WE'RE WORRIED

UNRWA Commissioner General Laurence Michelmore cables urgently that \$75 is needed now for each of our 67 blind boys and girls to complete this year's training at the Pontifical Mission Center for the Blind, Gaza's only. Monsignor Gartland in Beirut requests the total immediately: \$5,025. . . . Every gift will help. Take care of one blind child (\$75) or two?

For a free copy of Monsignor Nolan's recent article for priests, "Holy Land, Tormented Land," send us your address. It concludes: "Come to the Holy Land, pilgrim. But come prepared. Come prepared to cry."

HOUSE OF LORDS

Imported London Distilled Gin

This is our new bottle. It's got a lot to live up to.

In 1740, we began making an uncommon gin. In 1967, we put it into an uncommon bottle. For more than two hundred years, House of Lords has had the unique reputation as the gin that's "not for commoners." This is still true today. It's still the quality of our gin that counts. And that hasn't changed.

House of Lords. Since 1740, a most uncommon gin.
