New Hospital For N. Vietnam

Vatican City—(RNS)—Plans are being discussed for the building of a Roman Catholic-supported hospital in North Vietnam but it will be "some time" before construction begins, according to an official of Caritas, international Catholic charitable agency.

North Vietnam's Red Cross is cooperating in the project, he said.

In April, the agency's executive committee voted approval of a donation of \$1 million in medical supplies to the people of North Vietnam.

Father Hanna Funeral

Bishop Sheen concelebrated the Pontifical Mass of Requiem for Father Bernard Clark Hanna in Our Lady of Lourdes Church, Elmira, Monday, May 15.

Father Hanna, 61, a native of Rochester and chaplain of the Dominican Monastery, Elmira died unexpectedly, Wednesday, May 10, 1967 at a classic reunion in Baltimore of alumni of the North American College, Rome, Italy.

Born in Rochester, April 4, 1906, Father Hanna was the son of Frank and Margaret Loneragan Hanna.

He attended St. Patrick's Cathedral Grammar School, St. Andrew's Seminary, Rochester. In 1924, Bishop Hanna sent him to the North American College in Rome, Italy to study philosophy and theology.

After six years of study at the Propaganda House of the Faith University, he was awarded the degree of Licentiate in Sacred Theology.

FATHER HANNA was ordained Feb. 15, 1930 at the North American College Chapel in Rome by his uncle—then the Archbishop of San Francisco, Most Rev. Edward J. Hanna.

His first assignment on return to the United States was as assistant pastor, St. Patrick's Church, Mount Morris—Troy late 1930, he was transferred to St. Francis de Sales Church, Geneva where he served as assistant pastor until 1936 when he went to St. Francis Assisi Church, Auburn.

Father Hanna was appointed pastor of St. Anthony's Church, Elmira in 1939 until he entered the United States Navy in 1942.

During World War II he served as a Navy chaplain in Alameda, North Africa, Italy and Sicily and was discharged in 1946 with the rank of Lieutenant Commander.

On his return he was appointed pastor of St. Patrick's Church, Macedon and served there until he became pastor of St. James the Apostle Church, Trumansburg in 1960.

More Dormitories at Fisher

Due to numerous freshman and transfer student applications from outside of Rochester, St. John Fisher College is being forced to construct the first in a series of small, two-story dormitory units.

Because of limited campus housing, the college was forced to reject many out-of-town applicants. S. P. Vassile is the general contractor for this phase of construction. Giffels and Rossetti of Detroit has designed this dormitory complex. Four similar buildings are planned for the future, with construction of the additional four in 1968.

This new compact unit will house fifty-four students and one proctor and is scheduled for completion this September. This decision to build additional campus living accommodations at this time was made by the Fisher Board of Regents due to the increase in date of February 1968 can still accept prospective out-of-town students.

These units, which will be constructed without the assistance of the Joint College Fund, will be financed by the Dormitory Authority of New York State. This continually growing student body emphasizes the need for the new science and library buildings which were included in the Joint College Fund Campaign in pledged contributions.

In reporting on the progress of the Joint College Fund related construction, Father Charles Lavery, president of St. John Fisher College, stated that the bids on the new library building will be let in late summer and the construction should begin in early fall. Progress of the new science building is somewhat delayed by the strike, but hopefully the completion date of February 1968 can still be met.
