INDIA: AIRMAIL THIS CHURCH!
THE HOLY FATHER'S MISSION AID TO THE ORIENTAL CHURCH

From hunger-blighted southern India Father Jacob Vettakkatt pleads for help to build at once a durable church in Ellakal, a critical mission center. "My Catholicism moved here four years ago to raise enough food to live on," writes Father Jacob. "Now we are 277 Catholic families, with 1725 members. Without a church we cannot save the faith." . . . The problem, of course, is poverty. The men who have jobs get less than 20¢ a day! . . . The church (with rooms for school and meetings) can be built for as little as \$3,800 (the cost of the materials) since Father Jacob and his parishioners will build it themselves evenings after work. Meanwhile, our Catholics attend Mass in a thatched shed, if and when weather permits. . . . Is this the church you want to build (\$3,800) in memory of your loved ones? Name it for your favorite saint if you build it all by yourself. At least please send as much as you can right now (\$200, \$150, \$100, \$75, \$50, \$20, \$15, \$10, \$5, \$3, \$1). Father Jacob needs your help immediately. We'll send it to him Airmail.

Dear Monsignor Nolan,
I saw your earnest request for food and shelter for the unfortunate Near East refugees, and I, living in complete comfort, couldn't refuse.
I am 13 and have finally found out how to help the unfortunate. Enclosed: \$5.25.
I am sure the money will be used wisely. This is my way of showing my love for everybody and my thanks to God for two wonderful parents and so much comfort in the world when millions suffer.
The coins are from Billy (5) who goes to kindergarten this month. He won the money in a penny hunt.
Signed: Joe and Billy

"They live in tragedy," writes Monsignor Gartland about the refugees he cares for in the Holy Land. . . . \$10 will feed a family for a month, \$5 will help give school children a hot lunch at noon, \$2 will give baby a warm blanket. . . . In thanks for each \$10 gift, we'll send you an Olive Wood Rosary from Jerusalem.

POP TOPICS

Dear POP Friends,
Well, folks, this is it . . . the final week for label turn-ins for POP Game No. 2. In this Game we cannot give any credit for turn-ins made after Sept. 30. Although most of the POP products now included will remain on the list, some will be discontinued. That's why it's important for you to bring or send now the labels you've already collected. After Sept. 30, some of these may no longer be acceptable.

Since the COURIER offices aren't open on Saturdays, we suggest that you make your turn-ins by Friday, September 29, if at all possible. The sooner we receive everyone's collection, the sooner we can get busy at that all-important job of tallying up the totals.

AN IMPORTANT REMINDER: To receive a cash award in any one POP Game, at least one turn-in of labels must be made. Bonus points alone—for using POP Stickers, making POP Posters, etc.—won't count unless you also make a turn-in of labels.

Last week we announced the addition of a new product to the POP Shopping List: Red Star Yeast. Proofs of purchase (the envelopes) will be accepted for this Game as well as for the new Game—No. 3—starting October 1.

We're sure all you clever POP cooks know just loads of ways to save time and energy in the kitchen. Why not share some of this know-how with fellow POP participants? Of course we're especially interested in original methods of using POP Products. So if you have some new ideas, send it along and we'll give your group 200 bonus points!

It doesn't have to be a complete recipe, just a household "hint" will do—provided of course it's your discovery and not just copied from some other source. Here's an example of what we mean:

"Instead of using bread or cracker crumbs for coating meats and fish, try finely crushed Wise Potato Chips. Their slightly salty tang will improve the flavor—especially of fish which is usually somewhat bland."

We're still giving bonus points for original recipes using POP Products. In fact we just love to receive these recipes so that we can publish them in this column and thus "share the wealth" with other POP participants. Now that the weather has cooled, why not take to the kitchen and dream up some culinary delight that can be enjoyed by others too? You'll be pleasing your own family, and you'll be adding to your group's POP Treasury.

Cooler weather also suggests home-baked goodies—cakes, pies, breads, biscuits. If you're an old-fashioned cook who still prefers to make her own bread, be sure to use Red Star Yeast, our new POP Product.

And here's a recipe for an old favorite—particularly popular with the kiddies:

'POP' BANANA NUT BREAD
(1 loaf)

1 1/2 cups flour, sifted
1/2 tsp. salt
1/2 tsp. baking soda
1 tsp. baking powder
1/2 cup chopped walnuts
2 ripe bananas
1/2 cup buttermilk
1/4 cup Blue Bonnet Margarine
1/4 cup sugar
1 egg

Sift flour, salt, soda and baking powder together; stir in nuts. Mash bananas, and blend with buttermilk (or put bananas and buttermilk in blender on low speed for a few seconds). Cream Blue Bonnet Margarine and sugar until fluffy. Add egg and beat until light. Add flour mixture alternately with banana mixture. Mix well after each addition. Spoon batter into greased and floured pan. Bake at 350° F. for 45-50 minutes. Cool before slicing.
