At last, a long-respected insurance company (Mutual Protective Insurance Company, specializing in health insurance for Catholics for over 35 years) has created a brand new health plan, especially for Catholics like yourself! It is called the HOSPITAL PLAN FOR CATHOLICS.

#### "Try" This Plan For Only \$1.00

To make it easy for your to "try" this new plan and see just how it can benefit yoss and your family, we now make you this no strings "introductory" offer:

You can qualify for this new Plan during this limited enrollment period-without baving to see a company representative-and without any red tape what joever! You can emroll yourself and all eligible members of your family for only \$1.00!

And, after you receive your policy, if for any. reason you decide you don't want it, you may return is wishin 10 days and your dollar will be promptly

dren, we suggest the One-Parent Family Plan. This covers you and all eligible children living at home between 3 months of age and under 21. Under this plan, of course, future additions are not included since no maternity benefit is provided in the One-Parent Family Plan.

If you have no children, or if your children are grown and no longer dependent on you, you will want the Husband-Wife Plan. Or, if you are living by yourself, select the Individual Plan.

On all plans, your cash benefits are paid from the very first day you enter the hospital, for as longand for as many times - as you are hospitalized, right up to the maximum (Aggregate of Benefits) of the plan you select.

Important: Here is another real "plus"-if you have been told that anyone in your family is "uninsurable"! Even if one of your covered family members has suffered from cbronsic ailments in the past, the kinds of conditions that come back again and again or are likely to recur, the Hospisal Plan for Catholics will cover these pre-existing conditions after your policy has been in force for two years!

But whether or not you have had a chronic ail-

#### SPECIAL NOTE IF YOU ARE OVER 65

Even though Medicare will pay most of your hospital expenses-it still will not cover all of your needs. During this limited enrollment, you can get the extra cash protection needed during the bigb-risk senior years simply by filling out the Enrollment Form below without any other qualifications

It's a fact that people over 65 are greater risks. They go to hospitals more often and have larger hospital bills than any other age group. That's exactly why senior citizens need more protection! And that's why some hospital plans won't accept them or charge rates beyond their means. But the Hospital Plan for Catholics not only accepts you regardless of age, it gives you easy-tocarry protection that is within your means. If you are over 65 now, or when you become 65, the following modest monthly increase applies. (This is the only increase that can ever be made as long as you continue your policy in force);

Female on All-Family or Husband-Wife

Male on any Plan .... 3.00

#### ARE YOUR PARENTS SENIOR CITIZENS?

Most senior citizens guard against becoming a "burden." But too often their insurance won't meet today's high hospital costs. Even Medicare won't take care of everything. A serious condition requiring hospitalization can mean the end of their reserves and loss of independence. To honor their independence and safeguard your own reserves, enroll your parents in the Hospital Plan for Catholics during this limited enrollment. Have the parent to be enrolled complete and sign the Enrollment Form, but enter ddress c/o you (Example: C/G John M. Jones, 120 Main Street, Anytown, U.S.A.) We will send the policy and premium notices to you. Just enclose \$1 for the first month's coverage.

Think for a moment-in shese days of sising medical costs, would your present insurance cover all your hospital bills? All your surgical and inhospital doctor's bills? All the medicines, drugs supplies and the many other extras? Probably not.

And even if all your medical and hospitel-billswere covered, what about all your other expensesthe bills that keep piling up at home-the tremendous and costly upset Do your budget, your reserves and your family life?

If one of your children is bospitalized, you will certainly spare no expense. If yon're a senior citizens, with limited reserves, and ere bospitalized, even with Medicare, where will the "extra" money you need come from?
